Washington, D.C. 20520

I, Regina Ballard, Division Chief, Law Enforcement Liaison Division, Office of Legal Affairs, Passport Services Directorate, Bureau of Consular Affairs, United States Department of State, certify under penalty of perjury that the enclosed documents are originals, or copies thereof, from the records of the U.S. Department of State.

The attached documents are a complete record of the adjudication and denial of the U.S. passport application of Dana Alix Zzyym (“Plaintiff”).¹ The documents are dated from September 2, 2014—the date Plaintiff executed and submitted the application—through December 30, 2014—the date of transmittal of the Department’s December 29, 2014 letter to Plaintiff denying the application. Dear Ms. Serenil:

I am writing on behalf of Dana Zzyym, our Rocky Mountain Regional Rep, and Dana's ability to attend the 4th International Intersex Forum, October 27-31, 2014, in Mexico City. Intersex people are born with sex anatomy (chromosomes, gonads, and/or genitalia) that is not typically male or female, and the Intersex Forum (hosted by ILGA; <http://ilga.org>), is an international gathering of intersex human rights activists. At this year's Forum, held in conjunction with the ILGA World Conference, organizations will be voting on representatives including, for the first time, an Intersex Secretariat, who will serve as a liaison and representative on intersex issues to ILGA staff and members (<http://ilga.org/ilga-xxvii-world-conference-second-mailing/>). I cannot attend this year, nor can our Associate Director, and thus we would like Dana to attend and vote for OII-USA, which requires obtaining a passport.

Dana is not male or female but intersex, as reflected in their birth certificate designation of "sex unknown" (note: Dana uses "their" rather than "him" or "her"). Dana is also a veteran, and the Veteran's Administration (which acknowledges intersex people in VHA DIRECTIVE 2011-024, http://www.va.gov/vhapublications/ViewPublication.asp?pub_ID=2416), has also issued medical records confirming Dana's intersex status.

Dana is thus seeking an "X" sex designator, which is available through the ICAO, the agency that governs passports. ICAO Doc 9303 specifies in Part I, Section IV, p. IV-16, that the category of "sex" on passports may be "female", "male", or "unspecified" (http://www.icao.int/publications/Documents/9303_p1_v1_cons_en.pdf). The ICAO's 2012 paper, "Technical Advisory Group on Machine Readable Travel Documents", which advises nations on how to comply with its regulations, elaborates in Part IV, Technical Specifications for Machine Readable Passports, Section VIII, 8.6, that Field No. 11, "Sex", is to be "specified by use of the single initial commonly used in the language of the state. If English/French or Spanish necessary use F/M/X" (http://www.icao.int/Meetings/TAG-MRTD/Documents/Tag-Mrtd-21/Tag-Mrtd21_WP10.pdf).

Australia made the X available to citizens providing documentation of being neither male nor female in 2011, as traveling with an incorrect sex designation often results in discrimination and/or harassment. U.N. Human Rights Commissioner Navi Pillay stated, "I... urge other states around the world to review their own laws, policies and practices to ensure that discrimination against transgender and intersex individuals is addressed in a systematic and effective way." (<http://news.smh.com.au/breaking-news-world/un-welcomes-aust-passport-changes-20110916-1kcc2.html>).

All members of the ICAO, including the U.S., are able to submit applications with "Sex" listed as X, as it is one of the three available passport sex designators, but Dana's passport officials are unaware of this. We thus kindly ask that you contact them and request that they expedite Dana's passport application, with their sex listed as "X" as Dana is not male or female, in order for Dana to be accurately identified.

Thank you for your assistance, and please do not hesitate to contact me with any questions.

Respectfully,

Hida Vilorio

RE: 172460355

Dear Dana Zzyym:

Thank you for your recent passport application.

The Department of State currently requires the sex field on United States passports to be listed as "M" or "F." Therefore, we are unable to fulfill your request to list your sex as "X." If you wish to receive a passport listing you as female as shown on your driver's license, please return a signed statement indicating that to our office.

If you wish to receive a passport listing you as male, please refer to the second page of this letter.

If you wish to withdraw your application, please let us know.

We appreciate your assistance in this matter so that we may continue processing your passport application. If we do not receive the requested information **within ninety (90) days from the date of this letter;** or the information you submit is insufficient to establish your entitlement to a U.S. passport in accordance with the relevant provisions of Part 51, Title 22 of the Code of Federal Regulations, your application will be denied and your evidence returned to you. By law, the passport execution and application fees are non-refundable. Any special return postage will be returned or refunded.

If you have any questions regarding this letter or your passport application, contact the National Passport Information Center (NPIC), toll-free, at 1-877-487-2778 (TTY/TDD: 1-888-874-7793). For general passport information, to check the status of your passport application, or to enroll in our Smart Traveler Enrollment Program (STEP), please visit us online at travel.state.gov.

PLEASE RETURN A COPY OF THIS LETTER WITH YOUR REPLY.

Sincerely,

In order to issue you a full validity passport book reflecting a gender different from the one on some or all of your citizenship and/or identity evidence, please send us a signed original statement on office letterhead from your attending medical physician. Statements from medical physicians can be from licensed medical doctors (M.D.) and osteopathic doctors (D.O.); the physicians may specialize in various medical fields, including, but not limited to: internal medicine, endocrinology, gynecology, urology, surgery, psychiatry, pediatrics, and family practice. The statement must include the following information:

- a) Physician's full name;
- b) Medical license or certificate number;
- c) Issuing state of medical license/certificate;
- d) Address and telephone number of the physician;
- e) Language stating that he/she has treated you or has reviewed and evaluated your medical history and that he/she has a doctor/patient relationship with you;
- f) Language stating that you have had appropriate clinical treatment for transition to the new gender (the new gender, male or female, must be stated); and
- g) The statement must clearly state the following: "I declare under penalty of perjury under the laws of the United States that the forgoing is true and correct."

If your gender transition process is ongoing, a two-year limited validity passport book reflecting the new gender will be issued upon submission of the letter stated above with language from your attending physician that you are in the process of gender transition.

The two-year passport may be replaced for the remaining validity period without additional fees (except for expedited service), if you apply within two (2) years of issuance using a DS-5504 Application for a U.S. Passport (Name Change, Data Correction and Limited Passport Book Replacement) and provide a new statement from your attending physician attesting that you have had appropriate clinical treatment for transition to the new gender.

(Office of Origin: CA/OCS/L)

7 FAM 1310 APPENDIX M SUMMARY

(CT:CON-541; 11-13-2014)

- a. This appendix provides policy and procedures that passport specialists and consular officers must follow in cases in which an applicant requests a gender on the passport application different from the one reflected on some or all of the submitted citizenship and/or identity evidence, including a prior passport.
- b. This policy explains the need for medical certification from a licensed physician who has treated the applicant or reviewed and evaluated the medical history of the applicant regarding the change in gender, as well as the need for accurate **identification and a photograph reflecting the applicant's current appearance**. It is based on standards and recommendations of the World Professional Association for Transgender Health (WPATH), recognized as the authority in this field by the American Medical Association (AMA).
- c. A passport is defined by INA 101(a)(30) (Immigration and Nationality Act) (8 U.S.C. 1101(a)(30)) as "any travel document issued by competent authority showing the bearer's origin, identity, and nationality if any, which is valid for the entry of the bearer into a foreign country." An individual's gender is an integral part of that person's identity.
- d. Sexual reassignment surgery is not a prerequisite for passport issuance based on gender change.
- e. Medical certification of gender transition from a licensed physician as described in 7 FAM 1320 Appendix M is the **only** documentation of gender change required. Other medical records are not to be requested.
- f. A Form DS-11 "Application for U.S. Passport" must be used initially as personal appearance for execution is required. A change in gender is a change in the identity of the applicant, and the identification in the new name and gender must be presented.

UNCLASSIFIED (U)

U.S. Department of State Foreign Affairs Manual Volume 7
Consular Affairs

(CT:CON-576; 05-05-2015)

a. Requirements for all elements of the Form DS-11 passport application aside from gender still apply, including:

- (1) **Evidence of U.S. citizenship/nationality.** The applicant must submit acceptable evidence of U.S. citizenship or nationality. (See 7 FAM 1100 "Acquisition and Retention of U.S. Citizenship and Nationality.") The applicant is not required to obtain an amended birth record, amended Consular Report of Birth (CRBA), or to request that the U.S. Citizenship and Immigration Services (USCIS) issue a replacement Certificate of Naturalization/Citizenship reflecting the change of gender. State law in the United States and the laws of other countries vary on whether an amended birth certificate may be issued reflecting a gender change;
- (2) **Evidence of identity.** As with all applications, the applicant must be asked to submit acceptable evidence of identity (ID) in the new gender and name, if available. (See 7 FAM 1320 "Identity of the Passport Applicant".) **However, state law and foreign laws vary as to whether a driver's license or other State government form of ID document may be issued reflecting a gender change.** So, the applicant may document her/his identity by submitting any of the following ID documents:
 - (a) Acceptable, for passport purposes, primary ID in the new gender (e.g., state issued driver's license, Certificate of Naturalization/Citizenship);
 - (b) Secondary ID documents (two or more) in the new gender. The U.S. Department of State Bureau of Consular Affairs Internet page provides information and examples of secondary evidence of identification; *and*
 - (c) Acceptable primary ID in the old gender.

NOTE: Some form of photographic identification must be presented; You cannot use the doctor's certification as the only evidence to identify an applicant.

- (3) **Photograph.** A recent photograph that reflects a good likeness of the applicant, and satisfactorily identifies the applicant must be submitted. The photograph must agree with the submitted identification evidence and **reflect the applicant's current and true appearance (see also 7 FAM 1300 Appendix E "Passport Photographs");**
- (4) **Passport Fee.** All necessary passport fees must be submitted (see 7 FAM 1300 Appendix G "Passport Fees"); *and*
- (5) **Name Change.** **If the applicant's name has been changed,** either by court order or through exclusive use for five years, he/she must present satisfactory evidence of the legal name change. Adjudication of the name change must be handled in accordance with requirements contained in 7 FAM 1300 Appendix C "Names to Be Used in Passports."

- (1) A full validity U.S. passport will be issued reflecting a new gender upon presentation of a signed original certification or statement, **on office letterhead**, from a licensed physician who has treated the applicant for his/her gender-related care or reviewed and evaluated the gender-related medical history of the applicant.

NOTE: Such licensed physicians include Medical Doctors (M.D.) and Doctors of Osteopathy (D.O.). (Not to be confused with Doctors of Optometry (O.D.), whose certifications are **not** acceptable.) The physicians may specialize in various medical fields, including, but not limited to, internists, endocrinologists, gynecologists, urologists, surgeons, psychiatrists, pediatricians, and family practitioners.

Certifications from persons who are not licensed physicians are **not** acceptable. They include, but are not limited to psychologists, physician assistants, nurse practitioners, health practitioners, licensed vocational nurse; registered nurse, chiropractors, or pharmacists, are not acceptable.

- (a) **Licensed physician's full name;**
- (b) Medical license or certificate number;
- (i) Licensed physicians in foreign countries must have a comparable foreign license or certificate registration number.
- (ii) For all foreign licensed physician gender change requests, passport agencies/centers must scan copies of the application and attach all submitted documents to **Passport Services'** Adjudication Policy Division (CA/PPT/S/A/AP) at AskPPTAdjudication@state.gov. CA/PPT/S/A/AP works with the Overseas **Citizens Services' Office of Legal Affairs (CA/OCS/L)** to verify the bona fides of the foreign-based licensed physician with the applicable post abroad. CA/PPT/S/A/AP will advise the passport agency/center of the outcome of post's verification as soon as possible.
- (iii) Posts must verify their own foreign-based licensed physicians or, if the statement is from a physician in another country, contact the post which covers that country for verification.
- (d) Address and telephone number of the licensed physician;
- (e) Language stating that he/she has treated the applicant or has reviewed and evaluated the medical history of the applicant and that he/she has a doctor/patient relationship with the applicant;

- (f) Language stating the applicant has had appropriate clinical treatment for gender transition to the new gender of either male or female; and
 - (g) **Language stating "I declare under penalty of perjury under the laws of the United States that the forgoing is true and correct."**
- (2) For individuals who have just begun and may be in the initial stages of the gender transition process, a two year limited validity passport reflecting the new gender will be issued upon presentation of the following:
- (a) Information listed in paragraph 1(a)-(e) above;
 - (b) Language stating the applicant is in the process of gender transition to the new gender of either male or female; and
 - (c) **Language stating "I declare under penalty of perjury under the laws of the United States that the forgoing is true and correct."**
- (3) Faxed, e-mailed, or scanned photocopies of medical certifications are not acceptable.

c. **Adjudication Actions.**

- (1) The passport specialist or consular officer will annotate the application **"gender change"** (in the **"For Issuing Office Only"** block of the Form DS-11) to record the reason for issuing the full validity passport in the new gender. Attach the medical certification to the application.

NOTE: Passport specialists and consular officers must not ask for additional specific clinical details regarding the gender change from the applicant.

- (2) The passport specialist or consular officer will annotate the application **"gender transition"** (in the **"For Issuing Office Only"** block of the Form DS-11) to record the reason for issuing the limited validity passport in the new gender. Attach the medical certification to the application when limited passports are issued in these cases:
- (a) Use endorsement code 46 for U.S. and Overseas Photodigitized Passports (OPDP) issuance. **Annotate the application "gender transition" to record the reason for the limited validity book in the new gender.** (See 7 FAM 1300 Appendix B **"Endorsement Codes"** for appropriate code.)
 - (b) Use endorsement code 109 in Emergency Photodigitized Passports (EPDPs) for urgent overseas cases where the applicant must travel immediately. Limit the EPDP to three months. (See 7 FAM 1300 Appendix B for appropriate code.)
- (3) An applicant will receive a passport for the remaining full validity period without further fee (except for expedited service), if:
- (a) He/she applies for the new passport within two years of issuance using Form DS-5504, Application for a U.S. Passport (Name Change, Data

- Correction, and Limited Passport Book Replacement); and
- (b) Meets the requirements of 7 FAM 1320 Appendix M paragraph a and 7 FAM 1320 Appendix M paragraph b(1).
- (c) You must use endorsement code 3 (see 7 FAM 1300 Appendix B for appropriate code) in all gender change replacement books.

Example (for an adult):

- The issuance date of the limited passport is "July 31, 2010."
- The issuance date in the new full validity passport will be automatically assigned by TDIS.
- However, the issuance date placed in the endorsement code must be that of the original, limited passport - "July 31, 2010."
- The expiration date listed in the endorsement must be ten years from the issuance date of the original, limited validity passport book, minus one day - "July 30, 2020".

- (4) If the applicant has not submitted the requested medical certification, use the appropriate letter (or similar language for overseas posts) available in Information Request Letter (IRL) 706 in corresponding with the passport applicant. (See 7 FAM 1300 Appendix T "Information Request Letters and Information Notices.")
- (5) If, after 2 years, the applicant applies for a new passport and gender transition has not been completed, the applicant must submit a new **physician's statement**, following the same information and licensure requirements in 7 FAM 1320 Appendix M, paragraph b (1) above, reflecting that the applicant still is in the process of gender transition. The application must be made on a Form DS-11, with appropriate identity, citizenship and passport fees submitted. Another two-year limited validity passport will be issued.
- (6) If an applicant is renewing his/her passport, but is applying for the renewal in a new gender, the applicant must use Form DS-11, and submit medical certification, including all elements previously indicated in 7 FAM 1320 Appendix M paragraph b. An amended birth certificate in the new gender is not acceptable evidence to issue the passport in the new gender.
- (7) If an applicant who already has been issued a passport in a new gender requests issuance of a passport in the birth gender, a certification under penalty of perjury from a licensed physician who has treated the applicant or reviewed and evaluated the medical history of applicant for transition back to the birth gender, is required. The statement must include all the elements previously stated in 7 FAM 1320 Appendix M paragraph b(1). The same procedures for adjudication and issuance of full validity (gender

change) or limited validity (gender transition) passports apply if the applicant is returning to the birth gender (see also 7 FAM 1320 Appendix M paragraph c.)

7 FAM 1350 APPENDIX M INTERSEX CONDITIONS (DISORDERS OF SEX DEVELOPMENT)

(CT:CON-541; 11-13-2014)

- a. "Intersex" is a condition in which a person is born with a reproductive or sexual anatomy and/or chromosomal pattern that does not fit typical definitions of male or female.
- b. Birth documentation is often not updated to reflect corrected gender. The applicant, or his/her applying parents in the case of a minor child, must provide a statement from a licensed physician who has treated the applicant for his/her gender-related care or reviewed and evaluated the gender-related medical history of the applicant. The statement must include all the information required in 7 FAM 1320 Appendix M paragraph b(1), adjusting the language to reflect the intersex condition and specify the gender correction to either male or female. In the case of a minor child, the applying parent also must submit a signed statement confirming the gender correction to either male or female. These statements must be attached to the passport application.
- c. Unless the applicant, or his/her applying parent, provides the statements described above, the gender listed on his/her birth documentation will determine the gender to be listed in the passport.

7 FAM 1360 APPENDIX M GENDER ERRORS IN ORIGINAL BIRTH CERTIFICATE

(CT:CON-541; 11-13-2014)

- a. If an applicant advises that the gender on his/her birth document mistakenly lists the wrong gender due to typographical error, and there is sufficient time before the listed departure date, refer the applicant to the appropriate issuing vital records office to have the error corrected.
- b. If the departure date is imminent, you may issue a limited one year validity passport, listing the applicant's requested gender, using endorsement code 46 (see 7 FAM 1300 Appendix B.) A corrected certified copy of the amended birth document will be required before issuance of a full validity passport in the requested gender.

Dear Ms. Serenil:

Thank you for providing ongoing assistance to Dana Zzyym in her efforts to attain a passport with an "X" sex designation, as they are not male or female but intersex. I am aware that Dana's passport application was rejected by the U.S. Department of State Colorado Passport Agency, in Aurora, Colorado, for the stated reason that, "The Department of State currently requires the sex field on United States passports to be listed as "M" or "F".

As you know, Dana is seeking their passport in order to attend the International Intersex Forum in Mexico City, in order to represent and vote on behalf of OII-USA. The deadline for payment of conference fees is September 30th, but there is a 15-day extension available with a \$50 late fee.

Also, I was just informed by my colleague Morgan Carpenter, President of OII Australia (our Australian affiliate), that the U.S. Consulate approved his X passport, and he can receive a visa to enter the country. While he obviously does not hold a United States passport, it is evidence that the United States recognizes the X sex designator in some capacity.

I hope that this information is useful to you in advocating to the Department of State on Dana's behalf, in order that Dana be able to pay the fees knowing their passport application has been approved.

Thank you once again, and please let me know if I can provide any further assistance.

Sincerely,

Dear Passport Appeal Officer:

I was recently notified in a letter from the Colorado Passport Agency that my passport application was denied because "the Department of State currently requires the sex field on United States passports to be listed as "M" or "F". I was provided two choices, male or female, for obtaining a United States passport, but neither of these applies because I am intersex, both biologically and in terms of my Gender (as per Supreme Court Justice Ruth Bader Ginsberg). In addition to being intersex, I am a United States Navy veteran, and served six years of active duty in Beirut.

Delivered with this appeal are two signed, sworn documents which verify that my sex is intersex, from my current doctors, both of whom work for the VA MEDICAL CENTER in Cheyenne, WY. I am thus providing the required documentation for obtaining a "passport book reflecting a gender different from the one on some or all of [my] citizenship and/or identity evidence" – as the gender listed on my Colorado state driver's license is "female"—but the gender I wish to have reflected is not male, but intersex.

As I stated in my letter delivered with the original passport application, the International Civil Aviation Organization, which controls passports worldwide, allows for an "X" gender marker in the sex field of passports, representing "indeterminate sex" or "sex unknown". Intersex Australian citizens are legally utilizing an X sex marker on their passports (upon their request), representing "Intersex/Indeterminate/Unspecified". In fact, the Department of State recently recognized the "X"/intersex individuals legally identified by an "X" gender marker, by providing a Visa for entry to an intersex Australian (Morgan Carpenter) with an "X" in the sex field of his passport. I would thus like, for international consistency and bureaucratic ease, to likewise have my intersex status represented by an "X" sex marker on my passport.

The U.N. Declaration of Human Rights states:

Article 2. Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status. **Article 6.** Everyone has the right to recognition everywhere as a person before the law. **Article 13.** (2) Everyone has the right to leave any country, including his own, and to return to his country.

In addition, the Organization of American States (OAS) aims: 1. To... urge the states within the parameters of the legal institutions of their domestic systems to eliminate, where they exist, barriers faced by lesbians, gays, and bisexual, transsexual, and intersex (LGBTI) persons in equal access to political participation and in other areas of public life, and to avoid interferences in their private life.. 4. In addition, to encourage states, within their institutional capacities, to produce data on homophobic and transphobic violence, with a view to fostering public policies that protect the human rights of lesbians, gays, and bisexual, transsexual, and intersex people.

AR-00029

In the United States, the authority of the Secretary of State to issue passports was made exclusive by the Act of Congress, August 18, 1856.... The decisions in *Crandal v. Nevada*, *Edwards v. California*³, and *Williams v. Fears*⁴, although concerned with interstate travel, reflect a philosophy of basic rights readily applicable to travel abroad.... the decision gave the first legal recognition...to the right to travel outside the United States as a civil liberty...of increasing importance to the ordinary citizen. (William & Mary Law Review. Vol. issue 2, Passport Denial and the Freedom to Travel, Roger M. Johnson).

The U.S. Department of Veterans Affairs recognizes intersex citizens in VHA DIRECTIVE 2011-024, http://www.va.gov/vhapublications/ViewPublication.asp?pub_ID=2416). It likewise behooves the Department of State to recognize the existence of intersex American citizens. Denying me my passport because I will not incorrectly identify my sex as male or female denies me the right to legal recognition and the right to leave and return to my country that is granted to male and female U.S. citizens.

Discrimination against marginalized communities is facilitated and reflected by a lack of equal legal rights and recognition. This is why in 2011, in response to Australia's X passport legislation, the U.N. High Commissioner of Human Rights stated, "I... urge other states around the world to review their own laws, policies and practices to ensure that discrimination against transgender and intersex individuals is addressed in a systematic and effective way." (<http://news.smh.com.au/breaking-news-world/un-welcomes-aust-passport-changes-20110916-1kee2.html>)." As the article in the link discusses, England is considering abolishing sex markers altogether in identification documents.

I urge you to join other Commonwealth nations in enacting policies that are inclusive of intersex citizens. A small technicality such as updating sex marker fields in passport forms and documents should not prevent U.S. citizens, particularly those who have served their country, from obtaining accurate legal recognition and equal rights under the eyes of the law.

Thank you,

Dana Zzym

Dear Ms. ZZYIM, DANA ALIX,

To Whom it May Concern:

My name is Amanda Moore Johnson, MD. Wyoming medical license number 8490A. I am an obstetrician/gynecologist. I have evaluated Dana Alix Zzym, DOB [REDACTED]/1958 as a gynecologic consult after genital surgery for Dana's intersex condition. It is my understanding, as a physician, that Dana was born intersex. She identifies as intersex. She has had surgery for transition to female genitalia and, based on record review, it appears that her treatment for transition has been appropriate.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

RE: 172460355

Dear Dana Zzyym:

Thank you for your passport application. Because your application did not meet our requirements, our office sent you a letter on September 24, 2014, requesting additional information. A copy of that letter is enclosed. You appeared at our office on December 19, 2014, to present additional documentation and to discuss our letter.

As explained in our letter of September 24, and as you discussed with our staff on December 19, the Department of State requires the sex field on United States passports to be listed as "M" or "F." Therefore, we cannot fulfill your request to list your sex as "X."

You indicated both in your letter dated December 18 and in person on December 19 that you did not wish a passport to be issued to you unless it could be issued showing the sex as "X." Because we are unable to accommodate your request, your passport application is denied. The original documents you submitted with your application are enclosed. By law, the passport execution and application fees are non-refundable.

If you still wish to obtain a passport book and/or card, you will need to re-apply on a new application, provide all required information, and pay the appropriate fees.

If you have any questions regarding this letter you may contact the National Passport Information Center (NPIC), toll-free, at 1-877-487-2778 (TTY/TDD: 1-888-874-7793).
