RE: Zarda v. Altitude Express, 15-3775

To the Clerk of Court:

Pursuant to Local Rule 31.2, appellants write to request a brief-filing date of March 30, 2016.

The transcript was ready on December 11, 2015. Fourteen days from that date was a holiday, followed by a weekend, so the date in which this letter must be filed is December 28, 2015. (I will be out that day, so I am filing this letter a bit early.) Ninety-one days from December 28 is, by my calculation, is March 30, 2016. Therefore, appellants choose March 30, 2016 as the date the brief will be filed. If my calculation is off, please advise.

Sincerely,

Gregory Antollino
