### Rules & Restrictions

For all fares levels, upgrade charges are inclusive of applicable taxes and fees. Fares and availability are not guaranteed until purchase. Security regulations may require us to provide government agencies access to data you disclose to us. Fares may include a surcharge.

If you need to adjust your schedule, you can make changes and cancellations via our website until 90 minutes prior to departure time or contact our call center anytime until departure. If you think you'll miss your flight or simply need to cancel, you have until your flight's departure time to notify us and get a credit minus a cancel fee or a refund if a refundable fare was purchased. If you don't contact our call center or inform our ticket counter that you will miss your flight, we will enforce our no-show policy. Upon failure to check in, Virgin America will cancel that flight reservation and all subsequent segments for continuing or return flights. Change/cancel fees may apply.

### Main Cabin Non-Refundable Fare

**ARRIVE ON TIME**

**For passengers traveling domestically (within the U.S):**

Due to peak summer travel season, many airports are experiencing a high volume of passengers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to **arrive at the airport at least 2 hours prior to your scheduled departure time.**

**For passengers traveling internationally:**

Due to recently-implemented U.S. Department of Homeland Security (DHS) enhanced security requirements for customers traveling from any non U.S. location, we strongly advise all customers to **arrive at the airport at least 3 hours prior to your scheduled departure time** and to

proceed to your departure gate promptly to allow extra time to clear security.

We also encourage passengers to check-in online at [delta.com](http://delta.com) or via the Fly Delta app to help avoid delays.

**RESTRICTED HAZARDOUS ITEMS**

To ensure the safety of our customers and employees, Delta no longer accepts **hoverboards or any lithium battery powered self-balancing personal transportation devices** on board its aircraft. These items are prohibited as both carry-on and checked baggage.

**Spare batteries for other devices, fuel cells, and e-cigarettes** are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, **they must be removed and carried in the cabin**. Further information and specific guidelines regarding restricted items can be found here.
