**UNOPPOSED MOTION TO EXTEND DEADLINE TO FILE REPLY BRIEF IN
SUPPORT OF MOTION TO COMPEL**

Pursuant to Local Rule 7.1, Plaintiff United States of America (“United States”) respectfully requests that the Court extend the deadline for it to file its reply brief in support of its Motion to Compel Defendants’ Production of Electronically Stored Information. The Defendants and Plaintiff-Intervenor do not oppose this motion.

The United States filed its Motion to Compel Defendants’ Production of Electronically Stored Information on April 18, 2016. ECF No. 52. The Defendants filed their response to the motion on May 9, 2016. ECF No. 59. Pursuant to Local Rule 7.1(i), the United States’ reply brief in support of its motion to compel is currently due May 16, 2016. The United States requests that the Court extend the deadline for it to file its reply brief to May 23, 2016. This is the first time the United States has requested an extension

of this deadline and this extension would not affect any other deadlines in the case.

The United States requests this extension because counsel for the United States are busy preparing for three depositions in this case scheduled to occur on May 17, 18, and 19, 2016. Counsel for the United States also have commitments in other cases and matters that, in addition to preparing for depositions in this case, would make it difficult to meet the current May 16 deadline.

For the foregoing reasons, the United States respectfully requests that the Court enter the order filed with this Motion.

Respectfully submitted,
