UNITED STATES’ EXHIBIT LIST

Pursuant to the Court’s scheduling order (ECF No. 57) and Fed. R. Civ. P. 26(a)(3)(A), the United States submits its exhibit list for trial. The exhibits that the United States currently expects to use at trial are identified below but the United States reserves the right to use any and all exhibits listed below at trial, if necessary. There may be additional exhibits that the United States might use solely for impeachment purposes, which are not identified below because Fed. R. Civ. P. 26(b)(3)(A) does not require disclosure of such exhibits. Furthermore, because discovery is ongoing (for example, there are four depositions scheduled for the week of August 22-26, 2016) the United States reserves the right to remove or add exhibits to this list. In particular, the attached list of emails, which is incorporated into this list of exhibits, will likely be amended prior

to trial because the parties disagree over whether some of them are privileged. As such, some of them may be the subject of a motion to compel pursuant to the Court's Fed. R. Ev. 502(d) order (ECF No. 66). If the United States files such a motion to compel, it must do so on or before August 26, 2016. ECF No. 66 at 2.¹
