ORDER

By Order dated September 6, 2016 (Dkt. No. 123), the Court stayed further proceedings in this case pending a determination of the extent to which an injunction issued in Texas v. United States, No. 7:16-cv-00054 (N.D. Tex.), affected this case. After the Texas court issued an Order providing some clarification of the scope of the injunction, Plaintiff United States requested the Court lift the stay.

The Court has reviewed the parties' pleadings and related documents from the Texas court. After that review, the Court finds the current stay shall remain in place until a decision on the appeal of the injunction is made by the Fifth Circuit.

Accordingly, Plaintiff United States of America's Motion to Lift Stay (Dkt. No. 125) is DENIED.

IT IS SO ORDERED this 16th day of November, 2016.

ROBIN J. CAUTHRON
United States District Judge
