

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
JACKSONVILLE DIVISION**

DREW ADAMS, etc.,

Plaintiff,

vs.

Case No. 3:17-cv-739-J-32JBT

THE SCHOOL BOARD OF ST. JOHNS
COUNTY, FLORIDA,

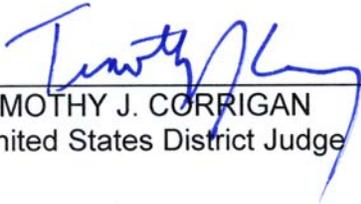

Defendant.

ORDER

This case came before the Court today for a telephone hearing on Defendant's Combined Objections and Emergency Motion to Quash Subpoena or, in the Alternative, for Protective Order (Doc. 80), to which plaintiff responded in opposition (Doc. 84). As announced on the record, which is incorporated by reference, defendant's motion is **granted** to the extent that Dr. Josephson need not produce any patient files in advance of his deposition (which the parties will reschedule for a mutually convenient date, even if after the close of discovery). This ruling is without prejudice to plaintiff seeking production of those redacted or protected files after the deposition if he has a basis for making the request.

With agreement of the parties, the Final Pretrial Conference, previously set for 3:00 p.m. on December 1, 2017 at 3:00 p.m. is now rescheduled for **10:00 a.m.** on the same day (**Friday, December 1, 2017**). The other case settings and deadlines remain as previously scheduled (see Order, Doc. 59) except that the parties may take discovery outside the deadline by mutual agreement.

DONE AND ORDERED at Jacksonville, Florida this 13th day of November, 2017.

TIMOTHY J. CORRIGAN
United States District Judge
