Re: Zarda v. Altitude Express, Inc., et ano., CV-10-4334 (JFB)(ARL)

Dear Judge Bianco:

I represent plaintiff in this matter and kindly request that the pre-motion conference scheduled for December 8 at 2 be adjusted to accommodate another teleconference I have at the same time. An hour earlier or later should be fine, or whatever you might propose.

Sincerely,

/s/

Gregory Antollino
