RE: Zarda v. Altitude Express, Inc. & Ray Maynard, 10 Civ 4334 (JFB)

Dear Judge Bianco:

I represent the plaintiffs in this matter and write regarding the scheduled April 13 teleconference. You had moved the time from 215 PM to 12 PM on that day, but the latter I am likely to be in court. I thought also that you might want to adjourn the conference for your own sake because I found many of the defense's cross designations of the Zarda deposition objectionable, some inflammatory. As such, this weekend I filed a 17 point in-limine motion that details what I believe the areas of evidence will be proffered for and why that would not be fair to the estate, or irrelevant to the case in toto. My focus is on the prejudice to the case rather than the picayune. Thus you might want to adjourn the conference for a week or two so that we can handle both in limine motions at once, if you had intended the April 13 conference was to discuss my first motion. Obviously, I had no idea what cross-designations the defense would make until Mr. Zabell responded to mine and could not have made my objections at an earlier time.

Thank you for your consideration.

Sincerely,

Gregory Antollino
