RE: Zarda v. Altitude Express, Inc. & Ray Maynard, 10 Civ 4334 (JFB)

Dear Judge Bianco:

I represent plaintiff in this case, and have just uploaded the in limine motion which we discussed at the last oral argument/conference in this case on or about June 13, 2012. The motion to deem admissible the expert report of Professor Kenji Yoshino. No scheduling order was set in stone, but I informed you that I would be making this motion in July. I have arbitrarily picked a date of September 12 at 2 PM for argument. If there are any changes that the court or opposing counsel want, please advise. I would prefer an afternoon and for September, as of now, I am not available the 13 or the 20 in the afternoons.

I would ask you, in reading this motion, to start with the report of Professor Yoshino, attached as Exhibit A to his declaration.

This letter will accompany the courtesy hard copies.

Sincerely,

Gregory Antollino
