Case Number: 17-3113

District Case Number: 5-17-cv-01249

Dear Counsel:

The Court has directed me to advise counsel in the above-entitled case that oral argument on the merits is scheduled on **Thursday, May 24, 2018**. Counsel will be allotted **15 minutes** oral argument time for each side, pursuant to 3rd LAR 34.1 (a). Counsel who will present oral argument should register with the Court Crier in the courtroom 30 minutes prior to the time when court is scheduled to convene.

RE: Joel Doe, et al v. Boyertown Area School District, et al

Case Number: 17-3113

District Case Number: 5-17-cv-01249

Appellants and Appellees are asked to provide a very brief summary of the issues in the case by docketing the **Summary of Oral Argument** event, located in the **Argument Notices & Acknowledgements** category, within five (5) days. This is part of a program to provide the public with information about the Court's cases. Both summaries will be posted on the Court internet site prior to the argument date.

Audio of all arguments are posted on the Court's internet website shortly after the conclusion of arguments for the day. In addition, the Court may direct that video of oral argument¹ in cases that are of significant interest to the public, the bar or the academic community be posted on the website. In order to assist the Court in this determination, Appellants and Appellees will be asked when providing the summary of oral argument whether they recommend that video be posted or whether they object to the posting of video. Whether video is posted is within the sole discretion of the judges hearing oral argument. The panel of the Court will determine after oral argument whether video of any argument should be posted. Attorneys will be notified if video will be posted and given a further opportunity to object by close of business the next day.

Very truly yours,

PATRICIA S. DODSZUWEIT
Clerk
