Re: *Regents of the University of California, et al. v. U.S. Department of Homeland Security, et al.*, Consolidated Case No. 18-15068
To be argued May 15, 2018

Dear Ms. Dwyer:

I write to correct the Rule 28(j) letter we submitted to the Court earlier today. That letter notified the Court of yesterday's decision in *NAACP v. Trump*, D.D.C. No. 1:17-cv-02325. The letter stated that the court in that case "entered a permanent injunction directing the government to accept and process new and renewal applications under DACA." That is incorrect; the court vacated the government's rescission of DACA, and that requires the government to accept and process new and renewal applications under DACA. The letter also stated that the court "conclud[ed] that a nationwide injunction was appropriate"; it should have said that the court concluded that nationwide relief is appropriate. I apologize for this mistake.

Sincerely,

s/Theodore J. Boutrous, Jr.
