UNOPPOSED MOTION FOR EXTENSION OF TIME TO REPLY

The federal defendants respectfully request a one-week extension of time to file their reply in support of their motion to dismiss (which would otherwise be due Thursday, April 12) until Thursday, April 19. Undersigned counsel will be out of the country from Saturday, April 7 until Sunday, April 15, and has not been able to complete the brief and have it reviewed and approved by the federal agencies named as defendants before his departure. As the Court is aware, this case involves sensitive issues of public policy, and therefore requires very careful review. This extension will allow that process to be completed. One three-day extension has previously been granted, and plaintiffs do not oppose this relief.

Respectfully submitted,

CHAD A. READLER
