The following invitation is to all Journey Into Manhood "alumni" from Bobby Morgan, a leader in the Texas PCC community.

Hello mbrothers,

Below is an invitation to ALL JIM BROTHERS to join us in Texas for our 18th Texas JiM Reunion--and this one will double as a Guts Facilitation Training, with Alan Downing and Enrique Roman. (See details below.)

It will be 48 hours from Friday Sept 28 at 3 pm to Sunday Sept 30 at 3 pm. It will take place in Cleburne, Texas, about a 40 minute drive south of Fort Worth, at a great site in the country. If you fly in we'll arrange transportation for you to and from the site.

To fill the weekend, Alan and Enrique are offering a nice discount, from \$395 to \$350 for those who register by August 31. Note that sufficient registrations must be in by September 14 for the training to happen.

Some of us attended this guts training in Philadelphia and found it exhilarating, healing and very like a JiM weekend where we got to do some serious personal growth work as well as learn how to facilitate each other. I know most of you are serious about continuing your work. Our want is for JiM men to become skilled in facilitating guts. The kind of healing that happens as a result of continued guts work is deep and lasting because it connects us to our emotions as well as our intellect.

The training is for all men, those that have been around awhile and men that have just attended JiM. Any anxiety you may carry around stepping into guts facilitation will be quickly reduced as the concepts behind it and the mechanics of doing it are explained and practiced. This is a great opportunity to do that with two of the best. Alan and Enrique have been in JiM since the beginning, JiM One!

You'll also note on the payment instructions that Jonah is handling the registration and payment for Alan and Enrique. Professionally they work under the auspices of Jonah. The People Can Change Board has approved this guts training as appropriate and helpful to our men, not only when staffing a JiM weekend but in building a strong local JiM community. I heartily encourage you to do what you can to attend it. You'll be glad you did.

Blessings men. Hope to be with you soon.
