[Redacted]

You were not around when [Redacted] came on the list and told us his story. [Redacted] I left his wife, 2 daughters, and [Redacted] to live a promiscuous gay life. Several months ago, [Redacted] spent several months in Panama where his dad is now living, and [Redacted] was actively trying to get [Redacted] to live a gay life.

So, [Redacted] dad knows what this letter is about. I believe that if [Redacted] didn't feel he could handle seeing his dad when his dad recently visited Germany, then that was a good decision for him. [Redacted] is starting phone therapy with an excellent therapist who trained under Nicolosi, Robert Vazzo, and [Redacted] is also going to the London Journey Into Manhood (JIM) in March.

I wanted to let you know the background to [Redacted] letter to his dad.

Elaine
