Re: *Boyden, et al. v. Conlin, et al.*
Case No. 17-CV-0264-WMC

Dear Judge Crocker:

I represent the State of Wisconsin-affiliated defendants in the above matter. Today, these defendants received a text-only order directing them to file a copy of the closed session minutes and the Department of Justice memorandum at issue in the plaintiffs' pending motion to compel at docket entry 55.

I contacted counsel for the plaintiffs, and they have informed me that these requested documents have already been filed under seal at docket entries 57-4 (closed session minutes) and 57-5 (Department of Justice memorandum). The documents appear as Exhibits D and E to the Declaration of Caitlin M. Madden, filed by the plaintiffs in support of their motion at docket entry 57.

Should you need additional copies of these documents, please do not hesitate to contact me.

Sincerely,

Electronically signed by:

s/ Colin T. Roth
Assistant Attorney General
