RE: 18-6102 & 18-6165, Tudor, et al v. Southeastern Oklahoma St. Univ, et al
Dist/Ag docket: 5:15-CV-00324-C

Dear Counsel:

Please be advised that briefing in this cross-appeal has commenced. Briefing shall proceed in accordance with Fed. R. App. P. 28.1. **Please make sure to use the correct cross-appeal briefing event codes when filing your briefs via the court's Electronic Case Filing System (ECF), as indicated below. In addition, please make sure to apply your docket entries to both cases.**

Please note the following:

1. The party who files a notice of appeal first is the appellant for purposes of the cross-appeal. If notices are filed on the same day, the plaintiff in the proceeding below is the appellant.
2. Appellant's principal brief (which must be docketed as the first brief on cross-appeal) shall be served and filed within 40 days from the date the originating court transmitted the "notice record complete" (OR 40 days from the date the record on appeal was filed in this court). The due date is November 19, 2018.

3. Appellee's principal and response brief (which must be docketed as the second brief on cross-appeal) shall be served and filed within 30 days after appellant's principal brief is served.
4. Appellant's response and reply brief (which must be docketed as the third brief on cross-appeal) shall be served and filed within 30 days after appellee's principal and response brief is served.
5. Appellee's reply brief (which must be docketed as the fourth brief on cross-appeal) shall be served and filed within 14 days after appellant's response and reply brief is served.

Please note that as of December 1, 2016, size limits for briefs have changed. See Fed. R. App. P. 28.1(e). Additionally, the "three-day service" rule has been amended to eliminate the addition of three service days to a deadline when a brief has been served electronically. See Fed. R. App. P. 26(c).

Please contact this office if you have questions.

Sincerely,
