RE: *Boyden, et al. v. Conlin, et al.*; Case No. 17-cv-264-wmc

Dear Attorneys Fairweather, Dupuis and Knight:

Thank you for your letter of October 16, 2018, asking to interview the jurors from the above-captioned trial. While appropriate, I would prefer any follow-up of this kind to occur after completion of all matters before this court, including any post-trial motions.

The court will permit counsel to contact the jurors after all post-trial proceedings are complete provided they clearly identify themselves, who they represent and advise that they may, but are not required, to discuss their experience or thoughts regarding this matter.

Best regards,

William Conley
