

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

MELISSA BUCK; et al.,

Plaintiffs,

v.

ROBERT GORDON, et al.,

Defendants.

CASE NO. 1:19-CV-286

HON. ROBERT J. JONKER

ORDER

The State Defendants move to stay the current deadlines governing their response to the Plaintiffs; preliminary injunction motion so the Court can first resolve issues concerning newly filed motions for intervention and transfer. The State's motion (ECF No. 24) is **DENIED**. The Court does not find good cause to change the deadlines for the preliminary injunction briefing. The intervention and transfer motions can proceed on the Court's normal schedule without the need for expediting.
