Case No. 3:18-cv-00190-SLG

**UNOPPOSED MOTION FOR EXTENSION OF TIME
FOR HOPE CENTER TO FILE REPLY IN SUPPORT OF ITS
MOTION TO SUPPLEMENT**

Under Local Civil Rule 7.3(b), Hope Center respectfully requests an eleven-day extension for it to file a reply in support of its Motion to Supplement or for Judicial Notice (ECF No. 79). Defendants have consented to the requested extension.

Hope Center requests this extension to file its reply, which is currently due on June 13, 2019, to accommodate the impacted schedules of counsel. In addition to a variety of litigation responsibilities not detailed for the sake of brevity, the following highlights regarding counsels' schedules demonstrate the need for an extension.

1. Hope Center's lead attorney, Ryan Tucker, is currently out of the country on vacation and will not return to the office until June 13—the day the reply is due.
2. Katherine Anderson is out of state five days this week to work on another client's matter, and is scheduled to be on vacation the entire week of June 10.
3. Jonathan Scruggs is currently on vacation and will not return to the office until June 10.
4. David Cortman is actively involved in multiple cases, including addressing an adverse decision issued on June 6, and is scheduled to be out of state to assist with another case on the day the reply is due.

Therefore, Hope Center respectfully requests, with the consent of Defendants' counsel, that this Court extend the deadline for Hope Center's reply in support of its Motion to Supplement or for Judicial Notice by eleven (11) days—from June 13 to June 24, 2019.

DATED: June 7, 2019.
