Re: Status Update on Case Cited in Motion to Stay Briefing

Dear Judge Smith,

On June 17, 2019, Plaintiffs submitted their Motion and Brief supporting the Motion to Stay this matter. At the time, the *Bostock*, *Zarda*, and *Harris Funeral Homes* cases had not been scheduled for oral argument. These cases will answer, or give clarity to, the central legal issues before this Court. Since the filing of the parties' briefs, the United States Supreme Court has scheduled those cases for oral argument for just over two months from now, October 8, 2019.

Sincerely,

*Jeremy L. Samek*
