**UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON AT SEATTLE**

RYAN KARNOSKI, et al.,

Plaintiffs,

v.

DONALD J. TRUMP, et al.,

Defendants.

No. 2:17-cv-1297-MJP

**DEFENDANTS' NOTICE OF FILING  
ADDITIONAL MATERIALS FOR IN  
CAMERA REVIEW PURSUANT TO  
ECF NO. 487**

1 Pursuant to the Court’s Order Requiring Additional Information to Complete *In Camera*  
2 Privilege Review Re Documents Withheld As Non-Responsive, ECF No. 487, Defendants  
3 herewith file (1) the “root” documents to which the privileged documents previously submitted  
4 for in camera review were attached and (2) a privilege log containing additional information in  
5 accord with the Court’s Order, as described below.

6 In accord with Part 1 of the Court’s Order, Defendants submit herewith for review the  
7 “parent” documents associated with the previously submitted documents, as that is reflected in  
8 their document review platform. In some instances, Defendants have assessed that the parent  
9 document may not contain the information the Court has requested because that parent does not  
10 reflect the email to which the previously submitted document was attached. In those  
11 circumstances, Defendants have submitted both the parent document, as well as any other  
12 attachments that convey fully the “document to which” the previously submitted documents  
13 “were attached.” *See* ECF No. 487. Some of the documents submitted herewith are themselves  
14 privileged and have been stamped on their face accordingly.

15 In accord with Part 2 of the Court’s Order, Defendants have attached a revised privilege  
16 log to facilitate the Court’s review. This log contains reference to all “Priv.Withhold” numbers  
17 for the documents submitted for in camera review. It also contains Parent ID numbers. These  
18 numbers have been applied to any document that is an attachment; the number corresponds to  
19 the “parent” of that attachment. Finally, Defendants have provided privilege log entries in  
20 support of the additional privileged documents that have been submitted in relation to Part 1 of  
21 the Court’s Order. Where a document was submitted pursuant to Part 1 but is not privileged,  
22 Defendants have not provided additional logged information.

23 In preparing the attached materials, Defendants determined that DoD00143348,  
24 PrivWithhold00002575, was previously released pursuant to a Freedom of Information Act  
25 Request. Defendants accordingly withdraw their assertion of privilege as to this document.
