**UNOPPOSED MOTION FOR A FOURTEEN-DAY EXTENSION OF TIME
TO FILE INTERVENOR-DEFENDANTS-APPELLANTS' REPLY BRIEF**

Pursuant to Fed. R. App. P. 26 & 27, and Second Cir. Local R. 27.1(f), Intervenor-Defendants-Appellants Dr. Regina Frost and the Christian Medical and Dental Association respectfully move for a fourteen-day extension of time, to and including Monday, August 31, 2020, within which to file their reply brief. The reasons for the motion are set out below. The motion is unopposed.

1. Intervenor-Defendants-Appellants filed their opening brief on April 27, 2020, within 91 days of the “ready date” of these consolidated appeals. As explained in the Government’s Motion for a fourteen-day extension of time to file its reply brief (Dkt. 300), Plaintiffs-Appellees subsequently requested 120 days in which to file their response briefs. The Court denied that request on May 27, 2020, ordering that the response briefs were due on July 27, 2020, and stating that “[t]here shall be absolutely no further extensions.” Plaintiffs-Appellees timely filed their response briefs on July 27, 2020. Intervenor-Defendants-Appellants’ reply brief is therefore due on Monday, August 17, 2020. Intervenor-Defendants-Appellants have not previously requested an extension of time in this appeal.

2. On July 30, 2020, the government requested an extension of time to file its own reply brief to August 31, 2020. Dkt. 300. This Court granted the request on July 31, 2020, and the time to file the government’s reply brief has now been extended to August 31, 2020.

3. As explained in the government's request, the briefing in this consolidated appeal is voluminous, and both the government and Intervenor-Defendants-Appellants must reply to two oversized briefs filed by the Plaintiffs-Appellees, as well as any additional arguments raised in the five or more *amicus* briefs that the parties expect to be filed in support of the Plaintiffs-Appellees. Given the scope and breadth of the legal questions that must be addressed and the significance of this decision to Intervenor-Defendants-Appellants, a fourteen-day extension of the time in which to prepare, draft, and file the reply brief is warranted.

4. A fourteen-day extension of time will not unduly delay this case, given that the government has already received the same fourteen day extension and is already due to file its reply brief on August 31, 2020. This extension will merely align the briefing schedule for the Intervenor-Defendants-Appellants' reply brief with the briefing schedule for the government Defendants-Appellants.

5. We have contacted counsel for the Plaintiffs-Appellees and the Defendants-Appellants and they do not oppose this motion or intend to file a response.

6. For the foregoing reasons, the Court should grant a fourteen-day extension of the time to file the Intervenor-Defendants-Appellants' reply brief, through and including Monday, August 31, 2020.

Dated: August 1, 2020
