RE; Zarda v. Altitude Express, et al.

Dear Judge Bianco,

Mr. Zabell wants an in person hearing for a pre-motion conference. If Mr. Zabell believes my physical presence is required for this hearing (though I do not), and you think it would be beneficial – though it certainly will not be time effective – I will rent a Zip Car and be personally present. Please advise. I've already spent lots of money on this case and if Mr. Zabell thinks it is necessary to increase the fees already incurred, then please give him what he wants.

Sincerely,

Greg S. Antollino
