Dear Chase Strangio,

I am writing to you with the hopes that you could take a look at my Civil Case against the Federal Bureau of Prisons, I am transsexual/transgender female with a mental health diagnosis of Gender Dysphoria. I have been fighting for Gender-Affirming Surgery due to Psychotherapy and hormone therapy not being enough to stop the "excruciating Pain" I am in. I have filed Pro Se and recently filed for a Preliminary Injunction to begin the Process of Surgery, the B.O.P was delayed and stalled in the process to hinder my treatment (Surgery) that would alleviate my pain and suffering. I have all the P.L.R.A requirements Exhausted all Administrative Remedies.

I really need an Attorney to help me. I have also filed 5 times to be moved to a female prison. The B.O.P has total disregard for transgender health and does not follow W.P.A.T.H - (World Professional Association of Transgender Health guidelines).

Please send me a Courtesy letter if you are not able to represent me to show the Court that I tried to obtain Counsel, look forward to hearing from you. Thank you for your time,
Cristina Iglesias
