Re: *Eller v. Prince George's County Public Schools*, No. 8:18-cv-3649 —
Mediation Withdrawal

Dear Judge Chuang:

The Court referred this case to mediation on September 2, 2020. (ECF No. 79.) Plaintiff appreciates Magistrate Judge Day's efforts to move the case towards resolution, however, Plaintiff does not believe that further mediation discussions would be fruitful at this time. Accordingly, on September 16, 2021, Plaintiff informed Magistrate Judge Day of her intent to withdraw from the mediation process. Plaintiff remains available should Defendants wish to restart settlement discussions.

Plaintiff stands ready to participate in whatever next steps this Court believes is appropriate for resolution of the case. Presently, the parties have completed briefing and submitted the joint record supporting their pending cross-motions for summary judgment (ECF Nos. 97, 98).

Respectfully Submitted,

/s/ Paul E. Pompeo
