

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF OKLAHOMA**

RACHEL TUDOR,

Plaintiff,

v.

SOUTHEASTERN OKLAHOMA STATE
UNIVERSITY, and

THE REGIONAL UNIVERSITY
SYSTEM OF OKLAHOMA,

Defendants.

Case No. 15-cv-324-C

DEFENDANTS' MOTION TO STAY ALL DEADLINES

Defendants, Southeastern Oklahoma State University, ("SEOSU"), and the Regional University System of Oklahoma ("RUSO"), ("Defendants"), request the Court stay all deadlines to various pending motions. In support of their motion, Defendants show the Court as follows:

1. There are multiple pending motions in the case relating to attorneys' fees, damages and other matters, which this Court stayed pending resolution of the appellate process. [Doc. 345].

2. The Court's prior rationale for staying the pending motions is also applicable now, as a settlement conference is set for March 11, 2022 with Magistrate Judge Shon T. Erwin. [Doc. 398].

3. Moreover, Defendants are hopeful that all issues can eventually be resolved at the settlement conference, rather than through adversarial briefing before this Court. Such a possibility would be enhanced by a stay of all motions at this juncture.

4. Plaintiff has no objection to this motion.
5. There will be no impact on any scheduled deadlines if the stay is granted.
6. In the event the parties do not reach settlement, the parties will submit a proposed scheduling order to address all remaining deadlines.

For the reasons set forth above, Defendants respectfully request this Court stay all pending motions pending the conclusion of the parties' settlement conference.

Respectfully submitted,

/s/ Dixie L. Coffey
