**AMENDED ORDER OF JUDGMENT**

For the reasons set forth in the accompanying Amended Memorandum Opinion, it is this 12th day of January, 2022, by the United States District Court for the District of Maryland ORDERED that:

- A. Bethel’s motion for summary judgment, ECF 80, is GRANTED as to Count II, and Defendants’ motion for summary judgment, ECF 75, is DENIED as to Count II.
- B. The Court declares that Defendants’ application of the 2018 iteration of the BOOST nondiscrimination provision to exclude Bethel from BOOST eligibility for the 2018-2019 and 2019-2020 school years violated Bethel’s First Amendment rights.
- C. Defendants are enjoined from demanding that Bethel repay the \$102,600 Bethel previously received in BOOST funding.
- D. The Court declines to exercise its discretionary jurisdiction under 28 U.S.C. § 2201(a) with respect to the parties’ rights and legal obligations asserted in Count I and Counts III-VI of the Complaint. Accordingly, those counts are DISMISSED.
- E. Judgment is, therefore, ENTERED in favor of Bethel, and against Defendants.
