

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

ST. VINCENT CATHOLIC,

Plaintiff,

v.

ROBERT GORDON, *et al.*,

Defendants.

CASE NO. 1:19-CV-286

HON. ROBERT J. JONKER

ORDER

Plaintiff and the State defendants resolved the issues between them, and the Court entered an order based on their agreement on January 26, 2022. ECF No. 113. The federal defendants were not part of the agreement, and so the issues joined between Plaintiff and the federal defendants appear to remain unresolved. In addition, the remaining parties and the Court have not addressed and resolved the other issues noted in this Court's earlier order regarding intervention. ECF No. 105.

Accordingly, the Court directs the remaining parties to file a Joint Status Report identifying what, if any, issues remain open, and proposing a Case Management Order that moves the case forward toward orderly adjudication of such issues. The Joint Status Report is due not later than **May 6, 2022**.

IT IS SO ORDERED.

Dated: April 12, 2022
