

**IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
CENTRAL DIVISION**

DYLAN BRANDT, et al.,

PLAINTIFFS

v.

CASE NO. 4:21-CV-00450-JM

LESLIE RUTLEDGE, et al.,

DEFENDANTS

**MOTION TO COMPEL PRODUCTION
OF DOCUMENTS**

TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD

Pursuant to Rule 45(d)(2)(B)(i) of the Federal Rules of Civil Procedure, Plaintiffs Dylan Brandt et al. (the “Plaintiffs”) hereby move to compel Mary Bentley, Alan Clark, Robin Lundstrum, Marcus Richmond, and Jim Wooten (collectively, “Legislators”) to produce documents withheld pursuant to the legislative or deliberative process privilege. This motion should be granted for the reasons detailed below, as supported by Plaintiffs’ *Brief in Support*.

1. On February 28, 2022 the Court granted Plaintiffs’ Motion for Order to Show Cause and to Compel Production of Documents from the Legislators and ordered the Legislators to file a privilege log.

2. The Legislators’ privilege log withholds 584 documents pursuant to the legislative or deliberative process privilege.

3. Of those documents, the Legislators are improperly applying the legislative or deliberative process privilege to 227 because they were made after the

Health Care Ban was passed, contain purely factual information, or include correspondence with third parties. *Appendices A-C to Brief in Support*.

4. Of the remaining documents over which the deliberative process privilege could apply, in this case the five factors used by Courts in applying the privilege—relevance, availability of other evidence, seriousness of the litigation, role of the government in the litigation, and risk of chilling future governmental speech—weigh in favor of disclosure. *Rodriguez v. Pataki*, 280 F. Supp. 2d 89, 101 (S.D.N.Y. 2003) *aff'd*, 293 F. Supp. 2d 302 (S.D.N.Y. 2003) (citations omitted).

WHEREFORE, Plaintiffs respectfully request the Court find good cause to grant the *Motion*, and issue an order to compel Legislators to produce the documents withheld pursuant to legislative or deliberative process privilege.

Dated: May 13, 2022

Exhibit 2

1 Q. What is the reference addendum in that
2 letter -- or I'm sorry, in that e-mail?

3 A. So there's a list of scholarly documents
4 that support the assertions made in the letter.

5 Q. And if I can, I'm going to hand you what
6 I've marked as Exhibit 2. And this is what has
7 been Bates stamped Brandt Plaintiffs 1815 through
8 1822.

9 (WHEREUPON, THE DOCUMENT WAS MARKED AS
10 EXHIBIT NO. 2 TO THE TESTIMONY OF THE WITNESS AND
11 IS HERETO ATTACHED.)

12 BY ATTORNEY WALAS:

13 Q. Are these all the text message
14 communications you had with Vincent Wagner
15 regarding the SAFE Act?

16 A. Yes.

17 Q. Did you have any communications or
18 documents regarding the SAFE Act that you
19 received from any of the Arkansas House of
20 Representatives Members?

21 A. Could you please repeat that?

22 Q. Do you have any communications or
23 documents that were between you and an Arkansas
24 House of Representative Member?

25

1 A. Relevant to the document disclosure?

2 Q. Yes. We're talking about Topic 1 still.

3 A. Okay. Yes.

4 Q. And what communications -- well, first,
5 who did you communicate with, that you had
6 documents with?

7 A. Senator Clark and a liaison with
8 Representative Lundstrum.

9 Q. Who is Representative Lundstrum's
10 liaison?

11 A. Jerry Cox.

12 Q. Who's Jerry Cox?

13 A. Jerry Cox is the president of Family
14 Council in Arkansas.

15 Q. What is Family Council?

16 A. It's a citizen-based organization and --
17 and advocacy group.

18 Q. What does Family Council advocate for?

19 A. A variety of issues.

20 Q. Can you identify any of the issues that
21 they advocate for?

22 A. They were in support of act -- the SAFE
23 Act.

24 Q. Did you say they were in support of the
25 SAFE Act?

1 A. Yes.

2 Q. So you spoke with Robin Lundstrum's
3 liaison Jerry Cox about the SAFE Act?

4 ATTORNEY LAND: Object to form.

5 You can answer it.

6 THE WITNESS: Yes.

7 BY ATTORNEY WALAS:

8 Q. And did you produce all those
9 communications?

10 A. Yes.

11 Q. And you said earlier you had
12 communications with Senator Clark.

13 Did you produce all those
14 communications?

15 A. Yes.

16 Q. I'm going to hand you what's been marked
17 as Exhibit 3, Brandt Plaintiffs 1572.

18 (WHEREUPON, THE DOCUMENT WAS MARKED AS
19 EXHIBIT NO. 3 TO THE TESTIMONY OF THE WITNESS AND
20 IS HERETO ATTACHED.)

21 BY ATTORNEY WALAS:

22 Q. And are those all your communications
23 with Senator Clark about the SAFE Act?

24 A. Yes.

25 Q. Did you have any e-mails or any other

1 documents that you received from Senator Clark
2 regarding the SAFE Act?

3 A. No.

4 Q. Did you have any communications or
5 documents with the Arkansas Medical Board?

6 A. No.

7 Q. I'm going to hand you a packet, Brandt
8 1699 to 1723, and if you'll take a look at these.

9 Are these -- and you can undo those.
10 They're stapled together within that. It's just
11 so I kept them together.

12 Are these all the e-mail communications
13 that you had that were responsive to Topic Number
14 1?

15 A. Yes.

16 Q. Okay. I'll go ahead and take that back
17 from you for now. We will go through those in a
18 little bit, rather than mark that as a whole
19 exhibit.

20 So have we gone through all of the
21 communications and documents that you have that
22 were responsive to Topic Number 1 regarding the
23 SAFE Act?

24 A. So I provided a document set, and then I
25 provided a second document set that included

1 prohibited from accessing?

2 A. Yes.

3 Q. What are those?

4 A. Abortion.

5 Q. Do you have concerns about the
6 well-being of adolescents with gender dysphoria
7 who are currently receiving hormone therapy if
8 they had to stop that care?

9 A. Yes.

10 Q. What are those concerns?

11 A. That they would -- that they've been
12 on -- on a certain path, and they're no longer
13 going to be on that path, and that's uncertainty.

14 Q. Could an adolescent who's receiving
15 hormone therapy be harmed if their -- that care
16 was stopped?

17 A. We're referring again to short term
18 versus long term, so it is conceivable that an
19 adolescent temporarily experience worries, but I
20 don't see a long term problem with that.

21 Q. Does it best serve the health and
22 well-being of youth with gender dysphoria to ban
23 gender-affirming medical care, regardless of the
24 circumstances?

25 A. Yes.

1 Q. How does it serve them?

2 A. Gives them an opportunity to figure out
3 their life.

4 Q. And are you familiar with the group
5 called the Family Research Council?

6 A. Yes.

7 Q. Would you consider yourself a member of
8 that group?

9 A. No.

10 Q. Do you know if the Family Research
11 Council opposes gender transition?

12 A. They do.

13 Q. Was Family Research Council involved in
14 developing the SAFE Act?

15 A. I don't know. I wasn't aware of the
16 SAFE Act until the 12th of March, 2021.

17 Q. Do you know if Family Research Council
18 was involved in passing the SAFE Act?

19 ATTORNEY LAND: Objection.

20 THE WITNESS: Yes.

21 ATTORNEY LAND: Asked and answered.

22 BY ATTORNEY WALAS:

23 Q. So how was Family Research Council
24 involved in passing the SAFE Act?

25 A. Lobbying, contacting witnesses, things

1 of that nature.

2 Q. Were you contacted by Family Research
3 Council to give your testimony about the SAFE
4 Act?

5 A. Yes.

6 Q. And who from Family Research Council
7 contacted you?

8 A. Jerry Cox.

9 Q. Now, is Family Council --

10 A. Are we talking about Family Council?

11 Q. Were you talking about Family Council --

12 A. Yes.

13 Q. -- when I said Family Research Council,
14 were you thinking I was talking about Family
15 Council of Arkansas?

16 A. I'm sorry.

17 Q. Okay. So all those questions that you
18 just answered had to do with Family Council of
19 Arkansas?

20 A. Yes.

21 Q. Okay. And your understanding is that
22 Family Council of Arkansas was involved in
23 passing the SAFE Act?

24 A. Correct.

25 Q. Okay. And so, Family Research Council

1 is a separate organization.

2 Are you aware of them?

3 A. I believe that's the national umbrella.

4 Q. Okay. And does the national Family
5 Research Council, do they oppose gender
6 transition?

7 A. I -- I assume so.

8 Q. Are you a member of that, or do you
9 attend --

10 A. No.

11 Q. -- their functions?

12 A. No.

13 Q. You didn't have any role in drafting the
14 SAFE Act, correct?

15 A. Didn't know about it until March 12th.

16 Q. Okay. And so, March 12th seems to be a
17 key date. What happened on March 12th?

18 A. Jerry Cox contacted me to see if I could
19 testify for the Senate.

20 Q. And did he -- and he contacted you, was
21 that by e-mail or over phone?

22 A. To be clear, it was a Facebook instant
23 message, which given that it didn't mention why
24 he was contacting me, I didn't know -- or I
25 didn't think that it was discoverable, but that's

Little Rock, AR 72201.

Re: Brandt v. Rutledge, Case No. 4:21-cv-450 JM

Dear Mike:

I write to memorialize our meet and confer on April 27 about the 30(b)(6) deposition of the Arkansas Medical Board. During the call, you did not raise any objections to the deposition topics, but stated that you did not believe the Medical Board's 30(b)(6) witness would be able to offer substantive testimony concerning topics 11, 12, and 13 — which, generally, cover the appropriate treatment for adolescents with gender dysphoria and Arkansas' purported interest in passing Act 626 — because the Medical Board was not involved in passing Act 626. Defendants' prior briefing in this litigation has included numerous arguments concerning the information covered in topics 11, 12, and 13 — for example, Defendants' Opposition to Plaintiffs' Motion for a Preliminary Injunction explained that "Arkansas asserts . . . the compelling governmental interests in protecting children from experimental gender-transition procedures and safeguarding medical ethics." (ECF No. 44 at 97-98.) As we discussed on the call, Plaintiffs are entitled to take discovery concerning these topics, and a 30(b)(6) witness "must testify about information known or reasonably available to the organization." (Fed. R. Civ. P. 30(b)(6).) If the Medical Board possesses no knowledge whatsoever concerning topics 11, 12, and 13, we expect they will be prepared to state that on the record at the deposition. During the call, you also confirmed that Amy Embry would appear as the 30(b)(6) witness on the date and time noticed in the Notice of Deposition.

Sincerely,

Duncan Simpson LaGoy
