ORDER

On May 9, 2022, plaintiffs filed a Joint Request for Clarification of Order, asking the Court to resolve an apparent discrepancy between the Memorandum Opinion and Order issued on April 6, 2022. [Dkt. No. 326]. The Memorandum Opinion stated that the Court would enjoin defendants from “categorically barring the worldwide deployment of asymptomatic HIV-positive service members with undetectable viral loads based on their HIV-positive status”; however, that language was not reflected in the Court’s Order. Because that omission was inadvertent, the Request for Clarification [Dkt. No. 326] is GRANTED, and it is hereby

ORDERED that the Court’s April 6, 2022, Order will be amended to include the omitted injunction.

The Clerk is directed to forward copies of this Order to counsel of record.

Entered this 10<sup>th</sup> day of May, 2022.
