RE: *Perry v. Newsom*, No. 20-16375

Dear Ms. Dwyer:

I represent Appellants in the above-captioned matter, and I write regarding the stay of the mandate in this case. On December 28, 2021, Appellants moved to stay the mandate in the case pending the filing and disposition of a petition for writ of certiorari in the United States Supreme Court. Dkt. Entry No. 74. This Court granted the stay on December 30. Dkt. Entry No. 76. I write to inform the Court that earlier this morning the Supreme Court entered an order denying Appellants' certiorari petition.

Very truly yours,

/s/ John D. Ohlendorf
