### RE: Special Event Permit Application

Dear Mitski.

It has come to the City's attention that several applicants for special event(s) have publicly advertised the special event prior to a special event permit being granted or a special event permit being issued; your event is one of them.

City Code §3-10-3 states: It is unlawful for any person, corporation, partnership, association or other entity, public or private, to promote, advertise or hold a special event without first obtaining a special event permit.

City Code §3-10-4(C): "Advertising: No advertising of a special event shall be permitted until city approval of the special event is granted and a special event permit is issued."

City Code §3-10-8(A). "Grounds For Denial: The special event application may be denied by the city if: 1. The proposed special event violates a law, ordinance, policy, procedure, or regulation or poses a danger or threat to the public health, safety or welfare, or causes unreasonable inconvenience or cost to the public."

Your application is hereby denied for the following reason(s): advertising prior to receiving city approval and/or a special event permit is issued.

City Code §3-10-9: "Appeal Procedures: Any applicant for a special event permit desiring to appeal an administrative decision concerning the denial or modification of a special event permit may petition the city council if the decision was made by the city manager. Any decision made by the city council is final. All appeals shall be in writing, shall state the specific grounds for the appeal, and shall be delivered to the city recorder within five (5) calendar days after the date the applicant received notice of the denial."

To Whom It May Concern:

I have been advised that my application has been denied because The Taste of Southern Utah has been advertised for the upcoming event, and for that reason one may not advertise prior to getting a special event permit.:

City Code §3-10-4(C): "Advertising: No advertising of a special event shall be permitted until city approval of the special event is granted and a special event permit is issued." Not 'and/or'. 'AND'.

I would invite you to review your city code & its verbiage. If it's taken literally verbatim with the verbiage "and" no one with a special event permit including my outstanding Saint George Market would be able to advertise until the day of the permit issued. Permit is issued for the day of or day before. ( see photo below)

Please rescind your letter, and please get me the following answers as I would like to respectfully proceed with this event, given that I produce unique and community friendly events & have a track record of success. Questions from me are below.

- 1. I have given you everything on my application that has been requested. What day will you have an answer for me on my pending approval? I applied in January.
- 2. In the meantime what other questions do you have about holding my event at 100 West and Tabernacle? I have provided all you've asked on the application.

Sincerely,

The Seed Inc Brand

Re: Appeal of administrative decision – Denial of event permit

Dear Ms. Avalox,

Your appeal of the denial of an event permit will be heard before the St. George City Council on Tuesday, April 11, 2023 at 2:00 p.m. in the Council Chambers of City Hall located at 175 E. 200 N. in St. George.

Each party is required to submit to the City Recorder, any evidence, witness list, written statements, or written arguments on or before 4:00 p.m. on Monday, April 10, 2023. The information should be delivered via email to <a href="mailto:recorder@sgcity.org">recorder@sgcity.org</a>. The Recorder will ensure that the submitted information is shared with the opposing party and the City Council when received.

At the hearing, you will be able to present your appeal, evidence, witnesses, and arguments first. The City will then present their basis for denial. You will have the opportunity for a final rebuttal argument after that presentation.

The City Council, who will be acting in a quasi-judicial capacity, will then deliberate and may do so in private (closed meeting) or in public. They will provide a decision at the conclusion of the proceedings or may take the matter under advisement and announce the decision at a later time. Either way, the decision will be reduced to a written decision, the date of which will commence the start of any further appeal process.

Should you have any further questions, please feel free to contact me.

Sincerely,

Christina Fernandez

ST. GEORGE CITY CITY RECORDER'S OFFICE

### Dear City of St George,

I am writing to appeal the denial of my Allies & Community Drag Show Festival special events permit application, which was denied on March 31st, 2023. I believe that the denial was based on favoritism, and I respectfully request that the decision be reconsidered.

I applied for the Allies & Community Drag Show Festival special events permit in order to provide a legal, safe, and community-based event. I provided all the necessary documentation and information, including a vendor list, security plan, and detailed layout of the event. On March 23rd, I received permission from Special Events Coordinator, Sarah Reber, to advertise the event. Despite this, my application was denied on the grounds that I had violated city code §3-10-4(C).

I strongly believe that my application was denied unfairly because of favoritism shown towards another applicant or group of applicants. I have reason to believe that the other applicant or group of applicants may have received preferential treatment due to personal connections, relationships, or other non-related factors as there have been over half a dozen instances in the last year where events were allowed to advertise before the permit was granted.

I request that my application be reconsidered on the basis that other applicants or groups of applicants were allowed to advertise in violation of City Code §3-10-4(C) without repercussion. I am willing to provide any additional information or documentation that is needed to demonstrate my qualifications for the permit. I am confident that I can meet all the necessary requirements and provide a legal, safe, and community-led event for the people of St. George.

Thank you for your attention to this matter. I look forward to hearing from you soon.

Regards,

### **EVENT DESCRIPTION**

PLEASE DESCRIBE YOUR EVENT IN DETAIL; ADD ANY ADDITIONAL INFORMATION OR PAGES.

• Please be sure to include any elements of your event that will help with the approval of the event.

The Allies & Community Drag Show festival will be an amalgamation of vendors and artists performing at Vernon Worthen Park April 28th. This festival will promote unity and community in a 4-hour festival. This event will not have any alcohol vendors, but it will have food and merchandise (T-Shirts, stickers, candles, etc). This event will also have informational booths in addition to the food and merchandise vendors. For this event we anticipate that there will be more than 300 people. There is a map attached that shows we will aproximately use 47290 square feet of the south-west side of Vernon Worthen Park. We will have 8 private citizens at this event for security with two at every entrance and two roaming the event. Security will have first-aid kits and identifying vests/T-shirts which have been trained for descalation tactics to demonstrate with protesters.

The festival will have 54 10x10 booth slots and a 20x40 stage (see detailed sit map). There will be aproximately 106 utah barricades surrounding the 47290 square foot area with one ticket entrance, and two exits. Set-up will begin at 10 am and will go on until 3 p.m. where vendors will begin to set up. At 5 p.m., the festival will begin and at 6:30, the stage will be used to start a show that will have local music artists sing and performance actors perform. The undersigned, Sarah Reber, being first duly sworn upon oath, deposes and states:

- 1) I am competent to testify and have personal knowledge of the matters stated in this affidavit. If called to testify as to the truth of the matters stated herein, I could and would competently do so.
- 2) I am now and, at all times relevant, have been employed by the City of St. George. I was hired as the Special Events Coordinator on or about June 27, 2022.
- 3) My current duties include accepting and processing special event applications, answering questions relating to permitting procedures and ensuring that all requirements are met prior to city approval of the special event is granted and a special event permit is issued.

- 5) That same day I reviewed the "SE Pre-Advertising" research document compiled by legal intern Jocelyn Chavez.
- 6) On or about March 31, 2023, I was informed about the need to strictly comply with the requirements found in the City Code regarding special event applications. It was clear that several special event applicants were advertising prior to city approval of the special event was granted and prior to a special event permit was issued.

7) It was communicated to me by Tani Pack Downing and Ryan N. Dooley that a majority of the City Council wanted staff:

a) to strictly comply with the requirements found in City Code Section 3-10-1 et. seq to new events and to otherwise enforce the City Code; and

b) to exempt reoccurring and city sponsored events as the City Council directed staff to prepare an ordinance for the City Council to ratify this decision at the April 06, 2023, City Council meeting.

8) I therefore denied three (3) pending new special event permit applications pursuant to City Code Section 3-10-8(A) (Grounds of Denial) for violating City Code Section 3-10-4(C): *Advertising:* No advertising of a special event shall be permitted until city approval of the special event is granted, and a special event permit is issued.

9) At no time did I authorize, communicate, or indicate to any pending special event applicant that the applicant was allowed, authorized, or given permission to advertise prior to the special event permit being granted and prior to the special event permit being issued. I have searched my emails and found no such correspondence or communication. I do not recall any in person conversation, nor any other communication by text, letter, or 3<sup>rd</sup> party regarding advertising approval.
