Hi Mitski,

I received your message about the parking lot and if you could send me a map of what you are thinking, we can take a look and see what we can accomodate.

Thanks,

Hi Sarah,

Attached is the map and layout of the festival. After taking a look at J.C. Snow we decided that we do not need a road closure.

Please let me know if you have any questions or concerns. I look forward to hearing from you and paying for the reservation.

Thank you,

Mitski sent me the map. No more parking lot closure so that is great so people can park.

Hi Mitski,

We are concerned with making sure the parking lot keeps its flow and we worry about the booths in the parking lot. Can we bring the area by the others out (south?) and have it be where the parking lot sort of bends? That should give enough

room to put those inside. Does that make sense? But I think we can be good with it after that.

Hi Sarah,

There shouldn't be any booths in the parking lot. We have three food trucks that will fill part of the perimeter of the barricades. Is that what you mean? I went and made the map a little more precise but there shouldn't be anything in the map that obstructs the flow on the street.

Thanks,

Hi Mitski,

With this map we weren't sure what was in the parking lot. I circled it. This does look great. We will have signs out letting others know, like we do for events, that the park is reserved for a group. It should be clear and ready for you. Let me finish things up and get back to you.

Hi Mitski,

I have been trying to call and I don't know why it doesn't connect. It seems to answer but it goes dead.

I was waiting to hear back on a couple locations. The Sunbowl is going to be in use for the time you want. Sandtown also has the youth soccer program there at that time. It is so busy here that weekend. JC Snow is the best bet if the layout is able to work.

Let me know if that works.

I'm meeting with Utah Barricades tomorrow morning to figure out the layout and I think I can have it finished by Tuesday night.

Thank you Sarah,

I have been trying to call and I don't know why it doesn't connect. It seems to answer but it goes dead.

I was waiting to hear back on a couple locations. The Sunbowl is going to be in use for the time you want. Sandtown also has the youth soccer program there at that time. It is so busy here that weekend. JC Snow is the best bet if the layout is able to work.

Let me know if that works.

That would be great. Hopefully some rope tied to a couple areas and stretching to where you have an entrance can work.

Hi Mitski,

I know we talked about various locations for your event. Due to the Farmer's Market we haven't allowed events in the past the night before since they use that evening to mark and it cuts down on the overuse of the park. The next park that could work is JC Snow. It would be \$200 for the rental and that is the pavilion and the entire thing. Let me know what you think and we'll keep planning.

I'm sorry I missed your call. I was at the counter. Isn't that how it always happens? Ha!

The Sunbowl has, and forgive me if you know the actual name-I am not a rodeo person, the Rodeo Princess competition or whatever it's called. I am looking into Sandtown. JC Snow is a great park but can be cut up kind of weird. I will get back to you when I hear about that park.

Sandtown is mostly dirt right now from overuse and the restroom area is scheduled to be torn down at the beginning of April. Is it possible if we reconfigure your layout for JC Snow? The space is there, we just may need to design it differently.

I am out of the office for the rest of the afternoon but will be checking in.

We'll scout out JC SNOW. I haven't been there in over a year, but again, we would prefer Vernon Worthen Park or the Sunbowl. What if it's April 25, 26, or 27th? That should still be ahead of the 45 day mark.

Hi Mitski,

I believe you have a hold on Vernon Worthen. Now, if I can get that Special Event Application and as much detail involved as you can, that would be greatly appreciated. One option I am offering to groups wanting Vernon Worthen is the SunBowl if that works for your event better.

Special Event Application can be found here with our insurance requirements and details.

Hi Sarah,

Thank you for your patience! Here is the special events permit. I am weighing options for insurance at the moment, but let me know if this works for you. If we cannot secure Vernon Worthen Park, we would still like to have a second option for this event on April 28th.

I had to scan some documents so the PDF may look strange but I will be dropping off the paper forms today so you can read it better.

Thank you,

Hi Sarah,

Thank you for your patience! Here is the special events permit. I am weighing options for insurance at the moment, but let me know if this works for you. If we cannot secure Vernon Worthen Park, we would still like to have a second option for this event on April 28th.

I had to scan some documents so the PDF may look strange but I will be dropping off the paper forms today so you can read it better.
Thank you,

Hi Mitski,

I believe you have a hold on Vernon Worthen. Now, if I can get that Special Event Application and as much detail involved as you can, that would be greatly appreciated. One option I am

DSTARS000141

offering to groups wanting Vernon Worthen is the SunBowl if that works for your event better.

Special Event Application can be found here with our insurance requirements and details.

Please let me know if you have any questions.
