DEFENDANTS’ MOTION TO MAINTAIN UNDER SEAL

Pursuant to Local Rule 5-11 and the stipulated protective order, Dkt. 39, defendants respectfully request that the Court maintain under seal the evidentiary materials contemporaneously submitted at Docket Number 48. The evidentiary materials contain information that plaintiffs may believe to be confidential and designate as confidential under the stipulated protective order, including medical details concerning the individual minor plaintiffs and information that could potentially identify them. Defendants have not designated any information as confidential. Accordingly, pursuant to the procedures in Local Rule 5-11(d)(2)(A) and (3), defendants request that the Court maintain the evidentiary submissions under seal pending the filing by plaintiffs within 14 days of (1) a statement authorizing unsealing of documents or (2) a brief in support of sealing and redacted versions of any documents containing confidential information.
