- 4. <u>USE.</u> User may enter and remain on the Premises for the Activity as described in the Agreement. User is prohibited from using any portion of the Premises not authorized in the Agreement. No unapproved activities are permitted. User acknowledges that the Agreement is not for exclusive use and that City shall be able to use the Premises for other purposes including other events so long as the use does not infringe on User's right to use the Premises on the limited basis described herein. Nothing in this Agreement shall be construed as giving User any leasehold or other rights or interest in the Premises or facilities, nor any right to use the Premises or other property or facilities except for the uses expressly provided for in this Agreement. User may not use the Premises as a permanent or temporary residence. User must comply with the Premises policies and rules. Access to the Premises shall be provided by City.
- APPROVAL. As part of the approval process, User has provided City with a detailed description of the activities which will be allowed on the Premises which is described in Exhibit "A", the approximate total number of participants expected for the Activity, a detailed description of the security to be provided, a detailed description of the parking location and process, and any other information City staff, at their sole discretion, determine to be necessary in order to approve the Activity. If the number of participants exceeds the approximated number or the approved plan is not followed, City reserves the right to take any measures it deems necessary, including, but not limited to: (a) requiring an immediate increase in security; (b) requiring compliance with applicable fire codes or other laws to ensure public safety and to maintain the integrity of the Premises; and (c) immediately ending the Activity. User shall pay all costs associated with such measures and shall forfeit their security deposit.
- 6. SERVICES, PERSONNEL AND EQUIPMENT. User shall pay all costs associated with City staff used by User. If User desires to use City equipment and services City staff shall operate all equipment. User is not authorized to handle or operate such equipment unless permission has been authorized by City in writing. City agrees to provide, at User's expense, the additional services, personnel, equipment and other requirements as described in Exhibit "A". City may also provide, at Renter's expense, such other services, personnel (including security and law enforcement), equipment or other requirements as City may, in its discretion, determine are reasonably necessary or appropriate for the protection of the Premises or other interests of City. All other services, personnel, equipment or other requirements (including without limitation security, furnishings, electrical, communications and other equipment) which are beyond the normal operation and maintenance of the Premises, shall first be approved by City,

and shall be arranged and paid for by User.

- THIRD PARTY SERVICES. User may require security or other services not provided by City to be provided by a third party. All third party providers (including without limitation, subcontractors or other third parties) shall, before performing any services in connection with this Agreement, secure and maintain commercial general liability insurance, property insurance, workers compensation, automobile insurance, employers liability insurance, and such other insurance coverage, in such forms and amounts as City may reasonably require relative to the nature of the services to be provided, and shall provide City with certificates of proof of all required insurance. All third party providers shall also comply with all applicable permitting, bonding and other requirements of any governing authorities, including without limitation all applicable licensing requirements. User shall indemnify and hold harmless the City from any claims that may arise as a result of any third party provider's failure to provide any of the insurance coverage, permitting, licensing, or other requirements of this Agreement.
- 8. PROHIBITIONS. User shall not, and shall not permit its officers, agents, employees, participants, patrons, occupants, vendors, contractors, guests and others, including assignees, to: (a) engage in any act that, to an ordinarily prudent person, would be reasonably foreseeable to cause harm to the Premises; (b) use or occupy the Premises or any part thereof for any unlawful, disreputable or ultra-hazardous use (including the prohibited or unauthorized use, storage or disposal of any Hazardous Substance as defined by U.C.A.. § 19-6-102 (2007)); (c) operate or conduct its Activity in the Premises in any manner that constitutes or gives rise to a nuisance of any kind; (d) bring any dangerous exhibits, materials, objects, vehicles or the like into the Premises; (e) make unauthorized use of Premises equipment; (f) improperly access areas outside of the specified use area; (g) engage in vandalism or other criminal activity; or (h) engage in any other action detrimental to the Premises or the City. User shall be liable for all damages associated with failure to comply with any provision under this section.
- 9. <u>COPYRIGHT.</u> User understands and agrees that it shall be solely responsible for payment of any and all royalties for musical and other works to be performed or used during its use of the Premises. User further acknowledges and certifies that all requisite approvals and clearances have been obtained from the copyright owners for all musical and other works performed or used during User's use of the Premises. User agrees to defend, hold harmless, and indemnify City, its officers, agents, employees, and representatives from and against any infringement actions, or causes of action arising out of User's failure to obtain such approvals and clearances.
- 10. **ALCOHOLIC BEVERAGES.** User does not have the right to sell, store or provide alcoholic beverages on the Premises, nor shall User allow its officers, agents, employees, participants, patrons, occupants, vendors, contractors, guests and others, including assignees, to bring alcoholic beverages on the Premises.
- 11. ADDITIONAL RESTRICTIONS ON USE AND IMPROVEMENTS. User shall not

place or store any flammable material, explosives, chemical solvents, fuels, or other chemicals or substances that may cause harm or damage to the Premises. User shall not cause any structure, building, or equipment to be placed, erected, or stored on the Premises without City's prior written consent. User shall not alter, remodel, build, or modify anything in, on, under or about the property including, without limiting the generality of the foregoing, the buildings, improvements, or landscaping without the express written consent of City. User shall not dump, discard, abandon or place any items on the property that is not specifically allowed under this Agreement or by written consent of City. User shall not identify City as a responsible party to anyone that may occupy or enter upon the Property.

- 12. <u>ACCEPTANCE OF PREMISES.</u> User accepts the Premises in its present condition, AS IS and with all faults. User acknowledges that City makes no warranty as to the safety or fitness of the Premises. City shall not be required to perform, pay for or be responsible for any work to ready the Premises for User's use or any other work.
- 13. <u>COST OF OPERATION.</u> User agrees that the entire cost of operations shall be User's sole obligation, except for any operation or maintenance costs arising exclusively from activities of City.
- 14. <u>CARE OF THE PREMISES.</u> User shall leave the Premises in substantially the same condition as when first possessed by User. City shall present a written claim for any damages to the Premises. User understands and agrees that it shall be solely responsible for paying for all damages to the Premises and any property on the Premises during its use of the Premises. User may not make any improvements or changes to the Premises. User shall notify City immediately about any damage, injury or accident that occurs on the Premises.
- 15. <u>CITY'S OTHER RIGHTS.</u> In addition to all other rights provided herein or by law, City shall have the right to enter upon the Premises at all times for any purpose, to assign its rights under this Agreement, or to mortgage or pledge the Premises as security to a lender, in which event the User will subordinate its rights as may be reasonably necessary to accommodate the security interest of the lender. In any event, this Agreement shall continue in full force and effect unless terminated according to the terms hereof.
- 16. <u>PHOTOGRAPHY.</u> User agrees that City may photograph or otherwise record images or likeness of the Activity and use the photograph or images in its advertising and for other purposes without compensation to User.
- 17. <u>INSURANCE</u>. User shall secure and maintain during the Agreement general liability and property damage insurance that shall protect User, City and City's representatives from all claims and legal costs for bodily injury or personal injury, including accidental death and property damage claims arising from operations under this Agreement. CITY shall be named as an additional primary insured on the General Liability Certificate with CITY listed as non-contributory on the General Liability certificate and shall be named as a Certificate Holder. The minimum commercial general liability insurance shall be as follows:

- ii. Comprehensive general liability insurance for injuries, including accidental death, to two or more persons in any one occurrence in an amount not less than \$2,455,900 Dollars.
- iii. Broad form property damage insurance in an amount not less than \$286,900 Dollars.

If User is a government entity, it may be self insured but shall cover all damages as listed above. The insurance requirement shall not be construed as limiting User's liability.

- 18. INDEMNITY. Neither the City, its agents, elected officials, officers, employees, nor representatives shall be liable for any loss, damage, injuries or other casualty of whatsoever kind or whomsoever caused to the person or property of anyone, including User, on or off the Premises, arising out of or resulting from User's, User's employees', agents', Users', volunteers', attendees', and invitees' use or possession of, or Activities on the Premises, or from defects in the Premises, either apparent or hidden. User for itself, its successors and assigns, hereby agrees to indemnify, defend and hold harmless City and its officers, agents, employees, contractors and volunteers from any and all liabilities, losses or damages and/or any and all claims, personal injury or otherwise, occasioned by or in connection with: (a) the activities or omissions of User and its officers, agents, employees, participants, patrons, occupants, vendors, contractors, guests and others, including assignees; and (b) City's performance under this Agreement. This indemnification requirement includes indemnification for claims of attorney's fees, court costs and litigation expenses of all types and amounts. In the event of any such claims made or suits filed against City, City shall give User written notice. User agrees to defend against any claims brought or actions filed against City, whether such claims or actions are rightfully or wrongfully brought or filed. In case a claim should be brought or an action filed with respect to the subject of the indemnity herein, User agrees that City may employ attorneys of its own selection to appear and defend the claim or action on its own behalf at the expense of the User, jointly or severally.
- 19. **TERMINATION.** This Agreement may be terminated prior to the expiration of its term upon the happening of any of the following events:
 - a. User gives written notice to City. If User terminates this Agreement thirty (30) days or less prior to the scheduled date of the event, the security/cleaning deposit shall not be refunded.

Captain,

The event organizer for the Pride Festival on September 16th was in the office today asking if we will require officers to be in attendance at the event. Did you have a chance to review this application and determine if officers will be required? The event organizer would like to at lease have a police presence if not having officers at the event for the entire time. I'm attaching a copy of the application for your review. Let me know what you will require so that I can respond to him on this event.

Thanks, Karen Roundy Development Supervisor St. George City (435)627-4712

I don't see any need for police. If they want to hire officers, let them know the \$55 per hour, minimum 2 hours. Officers will know about the event and extra patrol it as they have time.
