AFFIDAVIT OF SARAH REBER

STATE OF UTAH )  
 ) ss:  
COUNTY OF WASHINGTON )

Sarah Reber, being first duly sworn upon oath, deposes and states:

- 1) I am competent to testify and have personal knowledge of the matters stated in this affidavit. If called to testify as to the truth of the matters stated herein, I could and would competently do so.
- 2) I am now and, at all times relevant, have been the St. George City (City) Special Event Coordinator. I started with the City on June 27, 2022.
- 3) My duties include receiving, reviewing, and processing special event applications.
- 4) I am the only person that processes special event applications.
- 5) At the March 9, 2023, City Council work meeting, I presented with Assistant City Manager Marc Mortensen, the results of our research into sponsorship vs. fee waivers in special event applications. The moratorium provided a pause in processing these applications in order to allow me to continue to research other city's ordinances, to get surveys and law signs out to the community, to talk to neighbors and businesses, to prepare binders with the survey results for the City Council's review and comment at the noticed work meeting on June 8, 2023.
- 6) A special event permit checklist accompanies each application for useful reference by the applicant to ensure that the application is complete. Attached hereto as exhibit A and incorporated by reference is a blank checklist and special event application form.
- 7) Since I began as the Special Event Coordinator, I followed a process to ensure that all special event applications were timely processed. I reduced this process to writing via the Special

Event Application Review Process flowchart which I gave to the City Council on May 25, 2023, in preparation for its work meeting that was held on June 8, 2023. Attached hereto as exhibit B and incorporated by reference is the flowchart.

- 8) I reviewed special events there were held at city parks between March 16 and June 9, 2023 and determined that there were 29 special events held; there were 18 special events held at city parks between March 16 and June 9, 2022. This constitutes a 62% increase in special events needing processing.
- 9) How soon an event permit can be issued depends upon several factors, including how early the applicant applied before the event, how quickly they provide any needed information, how many changes are made to the event, and how quickly the applicant can provide an insurance certificate and payment for the event. Much of this timing is controlled by the applicant, not the City; oftentimes depending upon how early before the event they started the application process. Attached exhibit C shows the date each applicant submitted the application, the final permit approval date, and the event date.
- 10) Only 18 out of 231 events (8%) for 2022 and to date in 2023 had the event permit issued within one day of the event. Most events were approved well in advance of the event and would allow advertising to occur after the permit issued and prior to the event. See attached exhibit C.
- 11) On May 25, 2023, I provided the Council with information obtained in response to the park surveys and park usage information for their consideration in making changes to the ordinance during the moratorium. See attached exhibit D.

FURTHER AFFIANT SAYETH NAUGHT

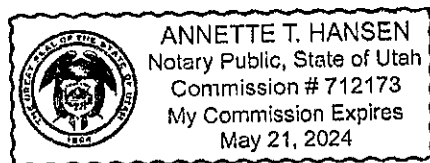

DATED: June 14, 2023.

4/21/2023 12:42:32	Weekly	Playground, General recreation, Special Events (concerts, markets, gatherings, etc.), Picnics	Redstone Highland Games	Yes	Fewer	Needs improvement	Lighting, Accessibility	630 w 700 n	I live across the street from the park. The park desperately needs better lighting and accessibility for people in wheelchairs. There should really be a sidewalk or path that goes around the entire park for people. My mother has struggled there and I've witnessed other people struggle with strollers and wheelchairs to get around the park. Please make this a park that those in wheelchairs or with disabilities can enjoy too!	Heidi Crawford
4/21/2023 18:34:31	Occasionally	Special Events (concerts, markets, gatherings, etc.)	Redstone Highland Games, Sporting events, Church services	Somewhat	I like the current number of events	Good	Lighting, Parking	581 diagonal	Maybe have the parking patrolled more - stop people from blocking well marked drive ways	Penny Shelley

The current walk way is not very accessible to strollers or wheelchairs.	
4/24/2023 12:40:47	Infrequently	General recreation, Special Events (concerts, markets, gatherings, etc.)	Redstone Highland Games, Other events	Yes	Fewer	Needs improvement	Restrooms, Grass, Shade structures	662 W 700 N	No	
4/24/2023 14:13:25	Weekly	General recreation, Special Events (concerts, markets, gatherings, etc.), Picnics	Redstone Highland Games, Other events	No, Somewhat	More	Needs improvement	Lighting, Picnic areas, Grass, Shade structures, Parking	595 west 600 north	The park is being overused in regards to the adult soccer games every Sunday during the warmer months - the park is inaccessible for other use during these times - I would prefer the soccer league did not play here and that the park was made accessible for all of the community throughout the weekend with the addition of a pickle ball or volley ball court in one of the corners	Ty D Mangum

4/24/2023 17:07:30	Weekly	Playground	Redstone Highland Games, BYU Fan Fest, Sporting events, Church services, Other events	Somewhat	I like the current number of events	Needs improvement	Lighting, Playground, Restrooms, Accessibility	632 North 600 West St George Utah 84770	We need a fence protecting children from bluff street. There were bounce houses there last week that were right next to the road. With no fence there How dangerous could that have been if one of the kids ran out to the road... I've lived here 20 years. There used to be a fence there before they remolded the playground area...but then took down to make only part of a sidewalk. A sidewalk around the whole park. Like there is at the Vernon Worthen park so people can walk there dogs easier while soccer is going on....or other events I live right across the street and people take there dogs there daily!	Angie Owens 435-632-2983
4/25/2023 14:25:15	Infrequently	Special Events (concerts, markets, gatherings, etc.)	BYU Fan Fest, Sporting events	Somewhat	Fewer	Fair	Parking	568 N 600 W St, George	I would like to see less homeless people hanging around the park and the streets adjacent to park. The 24 hour gym lets them shower there and the park has the restrooms. Between the gym parking and events at the park there are times I can't even pull into my driveway nor is there parking for when we have visitors. The parking is a big issue.	Tammy Hughes
4/29/2023 17:06:13	Weekly	Playground, Special Events (concerts, markets, gatherings, etc.)	Redstone Highland Games	Yes	Fewer	Needs improvement	Playground, Grass	608 w 700 n	When there are events here, everyone that comes parks where the residents usually park so we have to park far away from our homes vs the people coming for the event. The streets are already smaller and hard to navigate at times, but events here make it almost impossible

5/2/2023 15:52:46	Weekly	General recreation	Sporting events, Other events	No	I like the current number of events	Good	Playground, Grass, Shade structures	Within 2 miles	A walking path the entire perimeter would be nice. Also, the condition of the grass could be better for soccer.	
5/2/2023 20:00:14	Monthly, Weekly, Occasionally	General recreation, Picnics		Yes	I like the current number of events	Good	Restrooms, Drinking fountains, Shade structures	It's in my neighborhood	There is always so much litter :( I think it's because it's used as a soccer facility.	
5/3/2023 15:02:05	Weekly	Playground		No	I like the current number of events	Fair	Restrooms, Grass	More than 5 miles	No	Jason Currie
5/3/2023 15:39:04	Weekly	General recreation		Somewhat	I like the current number of events	Good	Restrooms, Drinking fountains, Grass	I don't live in St. George		
5/3/2023 16:12:43	Weekly	Playground, General recreation		Yes	Fewer	Needs improvement	Lighting, Playground, Picnic areas, Restrooms, Drinking fountains, Grass, Shade structures	More than 5 miles	Sandtown Park is my child's bus stop. It's also the bus stop for another school. When there are sports and events going on at the park, it is extremely difficult to pick up my child. On another note, I wish the park was more toddler friendly. There are often a ton of kids at the park during bus pickup/drop off times. The playground equipment can become dangerous especially for young children.	Jessica

5/6/2023 19:06:31	Occasionally	General recreation	Redstone Highland Games, BYU Fan Fest, Church services	No	I like the current number of events	Good	Restrooms, Drinking fountains	It's in my neighborhood	Parking is a problem will big activities but I'm not sure how to improve it. Now that our child is older we don't use it as much, but we'd like to see it still good for kids. I love seeing families there playing sports or having picnics. Also, we really miss the normal swings. A path or sidewalk so the way around would be swell.	Sarah Black

							<p>The last few Art Festivals have moved some of their events &amp; food trucks closer to the business district so people were encouraged to keep strolling around to visit the existing businesses. Very grateful for this change.</p> <p>The other events cut off Main &amp; Tabernacle to walking traffic and isolate Town Square on its own. Over the past 4 years I've had my business downtown, the events that do this have significant effected my income despite marketing and advertising efforts to try and counteract it.</p> <p>Traffic to the local shops during those events just about stops completely. It's been really frustrating. Spring and fall should be our big seasons with all the tourism here and closing down access to our area really keeps people away.</p> <p>For the most part, visitors for the Ironman and other sports races aren't here to shop local and the restricted access keeps away those who might want to come downtown. Food designations do better but for small retail shops like mine, it's really noticeable.</p> <p>I'd love more events downtown in general not only in the park, but also encouraging people to visit the downtown businesses. City sponsored First Friday Street Fairs, Art Walks, City Birthday celebrations, Small Biz Saturday passports, etc. I think events are better when they find a way to include local business instead of cutting us off</p>

Please communicate and support the local neighborhood around the square. We put up with a lot of small annoyances from events and we wish there was more support.

The grass nearest the west parking lot just can never recover from events. That's the biggest issue. It's often blocked off and not usable then opens for events and gets trampled and dies again. We still love the area and thoroughly enjoy it all.

Homeless people sleep & hangout there all day.

To St. George City Council about our Town Square,

May 8, 2023

We, Steven and Ilene Hafen, have lived across the street from Town Square and the big library for over fifty years, at 75 West, 100 South, next to our historic Pioneer home, and we have enjoyed being here.

We remember when Elder Steven Snow dedicated the newly finished town square, blessing it to be a place of happiness for children and their families. It truly is enjoyed by many. It is well kept and continues to grow, with interesting artwork, statues of people who have contributed much here, and the memorial with our flag for the veterans. You, our Mayor and City Council, are doing a good job.

It was an amazing 70.3 Ironman race here in St. George last Saturday! We had a tall, strong son-in-law, who is a pilot, racing in Ironman for the first time. His two young children and a teenage son were at the railing watching for him, also his wife, our daughter, standing on the bleachers with a sign for him, and following the app to see where he was. I stood at the finish line for 2 hours with my camera ready, praying he would make it, for his children, his wife, and himself! I am telling you this, because I am so grateful you didn't cut off the race to save time getting to the awards! The woman who was announcing was just wonderful. She kept things positive and cheerful to the end, cheering-on every runner, things like: "You're 'round the turn!" "The red carpet is waiting for you!" "There's a big smile!" "Congratulations!" "We are bringing everybody home!" She never quit her enthusiasm, nor her genuine joy for every runner finishing!

The last of the race may have been the most inspiring, as some of the runners limped in and looked exhausted, while the crowd cheered them on and put out their hands to slap hands! Seventy five years old men and women finished the course! Our son-in-law finished with strength and dignity.

We go walking in the Square, and often see or hear festivals and activities at Town Square, but the only time we were dismayed and concerned was when we saw the "Drag" parade pulling into the Square with large, even fat, men dressed up like women, wearing wigs and lots of makeup, riding on a float. The show went on for quite a while, with talking, singing--and drums with a very strong beat. We didn't go over, but we saw young people going over to observe, or participate.

We are all God's children and want to be respectful, but St. George- Dixie- is known for its church history and standards, which make it very desirable. We, as descendants of pioneers who settled here, are grateful you do not allow advertising, and we hope you will direct their activities to more outlying areas.

*Steven + Ilene Hafen*

Hello Neighbors of Town Square,

Town Square is one our city's most popular areas, and we want to make sure your experience there is the best it can be. We are curious to know your thoughts about the square, its daily use, special events and general conditions. Your responses will help the city in its planning efforts for programming the square moving forward.

Please take a couple of minutes to fill out the attached survey or click on the QR code and take it on your mobile device.

Hard copy surveys can be dropped off at the St. George Recreation Center (285 S. 400 E.) front desk or City Hall (175 E. 200 N.) front desk. All responses must be submitted by **Friday, May 5, 2023 at 5:00 p.m.** If you need additional space for comments, please attach them to the survey.

Thank you and I look forward to hearing from you.

4/25/2023 18:45:52	Weekly	General recreation	St. George Art Festival	Yes	Fewer	Excellent		It's in my neighborhood	I would like an officer to hold pedestrians and users of the town square accountable for following the city park rules. Lots of people from out of town or outside our neighborhood take advantage and misuse our communal green space for baseball practice (aluminum bats and real baseballs in the green grass areas that risk hitting people walking their dogs or having picnics) or people who let their dogs run off-leash and pretend it's a dog park. I walk my dog at town square twice a day, always on leash, and I always clean up after my canine friend. It's frustrating and unsafe when many dog owners (many of whom don't even live nearby) abuse the park as a "dog park" and let their dogs off leash. This is an unsafe practice for humans as well as the dogs because the un-leashed dog is not under control of its owner and could easily attack another leashed-dog or even a human. No dog should be off leash in a city park if it is an unfenced property not formally designated as a dog park. I feel unsafe for myself and my leashed, gentle dog when other owners let their dogs off leash in town square.	Concerned, rule-abiding dog-lover and park-lover

I think a section of grass by wells fargo across from town park would be great. Its only used for bike parking when ironman comes around. Dogs are growing around here. And there is only one area in st george where you are lawfully allowed to let them off leash to play. People in town square are becoming angry even when there is a dog on leash. More grass. Less parking. Need to make attractions throughout the the city walkable too. City is too reliant on cars.	Todd.

I love its accessibility to both neighbors and visitors from further away. I walk my dog daily here. It is extremely unfortunate that so many others bring their dogs here and let them run off leash. On multiple occasions in the last six months alone, we have been charged at by an off leash dog. The morning city attendant is friendly, but never seems to call this behavior out - she almost seems to encourage this behavior. I have neighbors who will not walk their dogs in Town Square for this same reason. Any sort of signage and policing by city employees in the park would go a long way to making it more enjoyable for EVERYONE.	Ryan

Sometimes parking is full on the opposite side and I have to park on the same side as the park. The water damages my vehicles. The stage blocks most of our parking as well as the farmers market. They also destroy the grass and leave trash everywhere. Most efforts to keep it clean are good. But it is quite annoying how frequent the market is held at the park. The marathon is held right in my driveway which blocks most parking. For the last 2 years I have not been notified of it or where to park and had to drive through crowds of people to try and leave my own house.	Kaden

**Regarding Vernon Worthen Park Survey**

As you will note on my survey card, when I am in residence in St. George at my condo during late fall through spring, I am at the park 3 or 4 times a day as I walk my dog. I also take extra bags and pick up dog poop left by other dogs, which is not picked up by their owners. I also pick up trash, often over 20 pieces on each walk for people who throw bottle caps, candy wrappers, empty water bottles, napkins, food containers, various other paper items, and (you name it and they throw it, even within 3 feet of a trash bin).

My suggestion is to place signs around the park that say something to this effect:

**KEEP YOUR PARK BEAUTIFUL, PICK UP TRASH.** I am sure you have access to artists who could illustrate the various kinds of trash in a clever way. You might even sponsor a contest for high school art students to design a poster. Since you were able to place numerous signs about the park survey in the park to draw attention to park needs, surely signs about picking up trash could be placed some places. Some creative person might be able to come up with a better written message than my generic one.

Also, as a former teacher myself, I think you might ask Legacy Elementary to send home a note with students about keeping the park free of debris that could be shared with parents asking that the parents discuss the problem with their children. I believe teaching responsible citizenship is a part of our state educational goals. I realize teachers are asked to do so much but perhaps they would be willing to hand out a flyer that someone at the city designed and explain the need so teachers don't have to add one more thing to what is expected of them to do.

My mother Etheleen Shell married Marion Bowler, a former St. George mayor, when they were both age seventy and had lost their spouses. I know Marion and successive mayors have put extensive effort into improving St. George. Keeping the park beautiful is a way to honor all those who serve the community.

4/22/2023 11:01:46	Monthly	Special Events (concerts, markets, gatherings, etc.)	MOD Market, Farmer's Market	No	More	Good	If the farmers market were to leave, I would never go there. I don't understand why you would consider defunding the primary event that brings people to your park and supports local businesses. The market was never any issue before, but it seems like the council will use any excuse to get rid of the market after the unrelated drag event. It shows that council members are not representing the best interest of their community but some unrelated, anti-LGBTQ agenda. God forbid we have some diversity in St. George and make the community welcoming to all. Clearly that's an issue.

I have LOVED walking down there on Saturdays and seeing the community gathered together and enjoying the space and supporting local vendors. Please, for the love of Pete, stop taking away events like the farmer's market (and the first Friday event that you guys already killed) that us local folks love so much. We have to deal with all the overcrowding from sporting events that bring people from out of town, so let us have stuff like this that's mostly enjoyed by us!	Anitra Cottrell

4/22/2023 18:33:05	Occasionally	Playground, General recreation, Special Events (concerts, markets, gatherings, etc.)	MOD Market, Other events	Somewhat	Fewer	Needs improvement	I wish to not see the Saint George Market be funded anymore. I feel they are not mentally capable of running a market and claiming this fame while using our tax dollars to "sponsor" it. They are only fair & kind to those with the same beliefs as them. If you want to do that and act like that- they should do that in a private setting. Not a public setting using our tax dollars to sponsor it. MOD market is very welcoming. It's well set up & family friendly. I do feel those who run the farmers market are disrespectful and immature. I know many businesses rely on them, but maybe it can be ran under city supervision or someone else besides Ashly & Kat.

4/22/2023 23:14:45	Monthly	Special Events (concerts, markets, gatherings, etc.)	St. George Marathon, Farmer's Market, Other events	No	More	Good	The Downtown Farmer's Market is a community staple that supports, highlights, and showcases LOCAL, SMALL businesses. It is an AMAZING and fundamental part of our community. Shutting it down means shutting down hundreds of entrepreneurs who are building local businesses, contributing to the local economy, and employing local residents. As a local, small business owner myself, the DTFM was one of my first venues as a new business owner. It had a place for us when we were just starting out with great foot traffic and low vendor fees, and STILL has a place for us 2 years later. My business has blossomed, locally may I add, funneling in tax dollars to the city and state, and we have added to our team by hiring a few employees. I have recommended the DTFM to countless new, small business owners who have not only found great success at the DTFM, but have GROWN into larger entities or have subsequently opened additional businesses. The fact that we have to fight and plead to keep it running is asinine.	Natalie Houseberg

4/23/2023 7:19:18	Occasionally	Playground, Special Events (concerts, markets, gatherings, etc.)	Farmer's Market	Somewhat	Fewer	Excellent	I do get tired of seeing so many markets pop up that are always usually the same thing over and over again and would like to see the park used for a variety. So like the marathon, Easter egg hunt, concerts, farmers market. All of those are different and capture a wide variety of people using the park. But market after market after market seems redundant like MOD market and the St. George market. They're fun, they draw a crowd but all my local friends are either annoyed by them too or they go and none of them actually buy anything because it's junk or overpriced and really just items that are not a necessity. I do love the farmers market though, it's important to at least have an area where people can actually come to sell their veggies and meat. I don't care about the Knick Knacks, I just want to have food options that aren't the grocery store.

This location is a good because while there are nearby places one can go eat and explore around, it's not too terribly close. It's a very enjoyable park for the farmers market because it is a decent size park, therefore the market isn't taking over the entire park. There is plenty of space for other park goers to enjoy the park without being involved in the market itself. There's a great amount of trees for shade, slacklining, hammocking, etc. while there's also fall grass areas to soak in the sun, there's this great variety that the park terrain brings. Something for everyone in the family. Personally, Worthen is one of my favorite parks, even when it's not for the market. It's also not too far for many people in the Saint George area, making it a great location for various events. Thank you.	Rachel

I love the trees, the kids playing at the park, it's always clean, it's great!  We attend the farmers market every Saturday. The ladies who put together the entire event do such a great job by organizing everyone. It's really impressive on how much they take care of.  The Farmers Market is amazing, so many great people, we have all become like family that support each other. When the market is over, you can't even tell any of us were there everything is cleaned up so perfectly.  The Farmers Market family, really cares about the park and it shows.  I think that the downtown Park is a perfect spot for the farmers market in my opinion everyone always seem so happy and joyful every single Saturday all the vendors, our customers, the people playing at the park, pickle ball, volleyball, everyone has a smile on their face. It provides attraction from locals and visitors that all support the small businesses that participate in the market. Most small businesses at this market make a living from their earnings at the once a week (Saturdays) activity held from the morning to afternoon. The Downtown Farmers Market is a major benefit to the community by allowing people to support unique, one of a kind, locally owned business. It would be a shame to see this event go away and would have a severely negative affect on hundreds, if not thousands of consumers, producers, residents, visitors, spectators, etc.	Kyler

Southern Utah has way too many and it's such a pain for the locals Hello, We are Popschipsandsalsa! We sell my dad's 50 year old salsa recipe and our homemade chips! Our family absolutely loves being a part of the downtown Farmers Market. It has brought us closer as a family, we have met some wonderful people and feel like we're part of a family. Our business has tripled in size because of kat and her team! Organizing a Market at this size must be such a challenge, but they handle it with ease Currently, we are in the middle of building, our first home, and without the support and growth of our Farmers Market business. We wouldn't of been able to get this close to finishing our home. We love what we do, we're so happy to see all of our friendly, happy regulars every Saturday! I've never seen anyone unhappy, at this beautiful event at your gorgeous park. Super cute kiddos, Puppies, families, older couples! Everyone super excited to come back every Saturday! Our family and friends agree that this is a perfect Farmers Market location. It is centrally located. It's easy to find and everything is locked in as a perfect well oiled machine and everyone knows their job set up, clean up, etc. It takes a lot of work to organize a group like this and all of us could agree that we would love to stay at your gorgeous park! We love the trees, which is crucial to probably 80% of our vendors I know I wouldn't be able to attend without shade. Our salsa is fresh and needs to stay cold, and we also sell little Airplantbuddys that cannot be in the sun. The mature trees really help this farmers market be amazing! To conclude, please let us keep this location for the downtown farmers market. We love enjoying the park even after the market, and I know a lot of other people would feel the same way. The farmers market only brings extra love to this awesome park.!

4/26/2023 16:37:56	Weekly, Occasionally	General recreation, Special Events (concerts, markets, gatherings, etc.)	St. George Marathon, MOD Market, Farmer's Market, Concerts in the Park	No	More	Excellent	Let me speak from the heart - there is something truly special about this place. Its location, surrounded by an abundance of trees amidst the red rock desert, makes it a true gem. I believe this spot to be the perfect setting for markets and small concerts alike. You see, it offers attendees the chance to not only experience the event, but to also bask in the beauty of the surrounding nature.  We all know that small businesses are the backbone of any community. They are the heartbeat of our economy, the engine that drives growth and prosperity. And let me tell you, the people behind both Mod Market and Downtown Farmers are true champions of small business. They understand that by nurturing and supporting local enterprises, we can all reap the benefits of a thriving economy.  But it's not just about business - it's about community. It's about bringing people together, fostering a sense of belonging, and creating lasting bonds. These events allow us to connect with our neighbors, to get to know the faces behind the businesses we support, and to build relationships that last a lifetime.  I have traveled to many places in my life, but I can honestly say that nowhere has felt quite like home as this place does. And it's because of events like these that we have been able to cultivate such a strong sense of community.  So let us continue to support our local businesses, let us continue to come together at these events, and let us continue to build the kind of community that we can all be proud of.	Samantha

Talks about limiting it's use for special events due to "overuse" ultimately deems the park "inaccessible" to large parts of the community—local shoppers, small local businesses, and local farmers. It also gives the impression to locals or tourists looking for weekend activities or to participate in sports-tourism that our city cannot (or will not) adapt to keep these community events going. I believe the city needs to work with it's own departments and those managing the events to accommodate for the special events that take place in Vernon Worthen Park—events that sustain our region's local small businesses, draw in tourists with markets and races, and overall boost our local economy.  I would also like to note that Vernon Worthen is busy no matter what time I go if the weather is good—be it markets, races, or just to read or picnic with my husband. It's popular, which is great that so many people enjoy all it has to offer! I think the concern over "overuse" stems from St. George needing to adapt to the growing region's needs. I've been all over the southwest and most cities our size or larger seem to have weekly markets in their parks. Since the STG area is growing so quickly, I think the city should keep that in mind before limiting the amount of events. There will always be opposition to the growth/growing needs and the inconveniences that might bring, but it is happening. How will our city keep up?  An idea to improve parking if that's a concern among those that live nearby: is it a possibility to paint slanted parking spots all around the park like we see down W Tabernacle St? Limiting parallel parking on the outskirts of the park could potentially alleviate some of the parking congestion to a degree during special events.	Alexis Peterson
4/28/2023 12:10:48	Occasionally	Playground, Volleyball, Picnics	St. George Marathon, Juan Festival	Yes	Fewer	Fair	I would like this park to not have markets every Saturday, specially the downtown farmers market who has discriminated & been very abusive to multiple vendors & customers who walk by, it's a negative thing and everytime I want to go out with my family to worthen park I am scared to go because of the people running the market being there & knowing I can get harassed or kicked out of the park like they have done to others for no reason. I wish this city park was just an open park but the market takes up so much room for it & I've had family members who have had to leave because of the room the market takes up. Their music is very loud to it's hard to enjoy a Saturday out at this beautiful park. They use the power as well, they are just using too much of the park.	Emilia

I think the people who take care of it on the daily are doing an amazing job! We go with my son almost every other day to the playground, the drinking fountains are never on. Considering where we live not having water is not conducive to children playing! Since we know they aren't on we pack water but others may not know this. If/when you redo the playground, it would be great if the bigger spider swings were put farther back from the toddler play area. My son has almost gotten hit multiple times because older teens are swinging in them really high. I like that the older kids are able to use the park too and have somewhere to go! Having them more spaced out or not in the same area as the 2-5 year olds would be great. I know Vernon Worthen is a great park and it's fun to show off but re routing the iron man so that it goes through downtown just to go around the park and back to town square is kind of ridiculous. On those days the road in front of my house is completely shut down. For 2 days I wasn't allowed to leave from 6 am to 9 pm... seriously? People do work on the weekends and need to get to their jobs and come home to their families. Either change the route back to it lapping itself on the same road or give people some form of compensation for having to change their whole day around this event. Thank you for keeping our parks amazing, please don't consider making them privatized! Keep them accessible to the community who lives here.	
5/4/2023 16:23:24	Weekly	Special Events (concerts, markets, gatherings, etc.)	Farmer's Market	No	I like the current number of events	Good	In the past few months, I have made the market a weekly ritual. It has been so nice to look forward to a day in the park. As someone that lives in Washington, our favorite park is well worth the extra drive.	Hannah

5/4/2023 18:25:08	Weekly	Playground, General recreation, Special Events (concerts, markets, gatherings, etc.), Volleyball, Picnics	Juan Festival, Farmer's Market	Yes	Fewer	Excellent	Yes, I would love to see some improvements for community unity. There is a specific event called the downtowns Farmers market who has abused/taken advantage of multiple vendors of small businesses. They do not represent what a community should be. It is honestly very disappointing to see the market ran by women who cannot control their emotions and separate feelings from business. I firmly believe we can have something more amalgamated where small business can thrive and provide a more stable environment for Saint George	
5/4/2023 21:18:55	Occasionally	Playground, Special Events (concerts, markets, gatherings, etc.)	St. George Marathon, Farmer's Market	No	I like the current number of events	Excellent	Please continue to partner with the farmers market. It brings great social community gathering and fosters connection better than big events like the marathon. All the great cities across the country have a great weekly market like the one that has been developed here in St. George. Oceanside is one of my favorites and we could learn a lot from how Oceanside capitalizes on the market to better the city. I encourage city council members to educate themselves and leave personal bias to the wayside.	Natalie
