Motion to Adjourn Additional Case Management Deadlines

The parties, by counsel, jointly state:

1. On January 23, 2024 they filed their Joint Motion to Adjourn Case Management Deadlines and Continue Final Pretrial Conference and Trial. (Dkt. 117).
2. On February 13, 2024, the Court modified the case management deadlines as requested by the parties. (Dkt. 122).
3. The parties realize that they failed to request that the Court modify the deadlines for filing a statement of claims or defenses and for the conclusion of expert discovery, which remain, respectively, March 12, 2024 and August 5, 2024.
4. Given that this Court's February 13, 2024 Order sets a discovery deadline of June 3, 2024, the statement of claims or defenses should be due on June 10, 2024.

5. And, given that the parties requested a 90-day adjournment of the case management deadlines in their January 23, 2024 joint motion, the deadline for the conclusion of expert discovery should be moved 90 days to November 5, 2024.

6. The parties apologize for not including these case management deadlines in their original joint motion.

WHEREFORE, the parties request that the deadlines for filing their statement of claims or defenses and for completing expert discovery be extended to, respectively, June 10, 2024 and November 5, 2024, and for all other proper relief.
