Counsel for appellants is requested to file a response to that motion by March 5, 2024, at 12:00 pm CST. As part of its response, counsel is requested to address IND. CODE § 25-1-22-13(d), including:

1. whether a “grace period” similar to that referenced in IND. CODE § 25-1-22-13(d) should be built into this court’s stay; and
2. whether another approach would accomplish the end of IND. CODE § 25-1-22-13(d).

Judge Jackson-Akiwumi records here her dissent from the court’s February 27, 2024 order staying the preliminary injunction entered by the district court on June 16, 2023.

Judge Jackson-Akiwumi further dissents from the court’s order above because it does not request full briefing from both parties on whether a stay should issue.
