

2022, and every four weeks thereafter, until the Parties believe that such joint status reports are no longer necessary.” *Id.* ¶ 9. The Court entered the parties’ proposed stipulated order. ECF No. 269.

2. Since the entry of the stipulated order, the parties have submitted periodic joint status reports updating the Court on developments related to the surgeries. As those reports have explained, Plaintiff underwent vaginoplasty and breast augmentation procedures on March 30, 2023. ECF No. 312 at 1. Plaintiff underwent facial feminization surgery on June 15, 2023. 6/27/2023 Jt. Status Report at 1, ECF No. 317. Plaintiff has now had follow-up appointments with both providers, *id.* at 1-2, and Defendants have provided updates to Plaintiff’s counsel about these appointments, as well as future upcoming appointments including efforts to schedule future appointments for laser facial hair removal.

3. In light of these developments, the parties believe that it is no longer necessary that they file joint status reports every four weeks. *See* Stipulated Order ¶ 9 (directing parties to file joint status reports every four weeks “until the Parties believe that such joint status reports are no longer necessary”); 5/30/2023 Jt. Status Report at 1, ECF No. 316 (proposing that the parties submit joint status reports every eight weeks). Instead, the parties propose that they file their next joint status report in eight weeks, on August 22, 2023. This will allow the parties time to confer further on the remaining issues in this case, including the timing of the government’s payment to cover future unexpected medical costs associated with the surgeries and Plaintiff’s stipulation of dismissal with prejudice. *See* 5/2/2023 Jt. Status Report at 2–3, ECF No. 315; Settlement Agreement ¶¶ 1(c), 2, ECF No. 267-2. If the parties believe that further status reports are necessary after August 22, 2023, they propose that they be filed every eight weeks thereafter.

4. A proposed order is attached.

[[Joint Proposed] Order

Upon consideration of the joint motion to modify paragraph 9 of the Court's May 31 2022 Stipulated Order, the Court hereby **GRANTS** that motion and **ORDERS** that paragraph 9 of the Stipulated Order be modified so that it reads as follows:

Reporting requirement. The parties shall file a joint status report updating the Court on significant developments related to the surgeries described above on August 22, 2023, and every eight weeks thereafter, until the Parties believe that such joint status reports are no longer necessary, but in no case extending past Plaintiff's release from BOP custody or Plaintiff's filing of a stipulation of dismissal. When the Parties have determined that such joint status reports are no longer necessary, they may jointly move to modify this Order to be relieved of this reporting obligation (to the extent this case is not otherwise dismissed at that point).
