**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA**

Helen Doe, et al.,
Plaintiffs,
v.
Thomas C Horne, et al.,
Defendants.

No. CV-23-00185-TUC-JGZ
ORDER

The Plaintiffs contacted the Court on February 26, 2024 regarding a discovery dispute between the Parties. The Scheduling Order states that if counsel fail to resolve a discovery dispute on their own, they should call the Judge’s law clerk to arrange a schedule for resolving the dispute expeditiously. (Doc. 144.) Given the logistical difficulty of arranging a time with the large number of parties and counsel involved in this litigation, Plaintiffs’ request to file a Motion to Compel Discovery. The Parties propose the following briefing schedule:

1. Plaintiffs shall file their Motion to Compel on or before **March 1, 2024.**
2. Intervenor-Defendants shall file their response on or before **March 18, 2024.**
3. Plaintiffs shall file their reply on or before **March 25, 2024.**
