Case No. 2:22-CV-184-LCB

UNOPPOSED

UNOPPOSED MOTION TO RE-SEAL

Respondents Melody H. Eagan and Jeffrey P. Doss respectfully request that the Court re-seal certain information related to the proceedings in *In re Vague*, Case No. 2:22-MC-3977.

1. During testimony in the *Vague* proceeding, references were made to sensitive, non-party information.

2. The parties have been consulted, and no one opposes re-sealing that specific testimony and docketing a public-record version of testimony that redacts those references to sensitive, non-party information.

3. To minimize any further dissemination of this information, the undersigned is simultaneously submitting a letter for the Court’s *in camera* review. That letter will be copied to all counsel of record, and it will specify the specific non-party information that Respondents propose should be re-sealed. The parties have been given these proposed redactions, and no one opposes this request.

Respectfully Submitted,

/s/ Harlan I. Prater, IV
